## Wants to Be King

EMIR ABDULLAH

Jerusalem (WNS-Palcor Agency)—A systematic campaign by the followers of Ragheb Bey Nashashibi, former Mayor of Jerusalem, to obtain the naming Emir Abdullah, of Transjordan, as king of Palestine is becoming evident throughout the country.

During a sermon at the cove of Machpelah, a Moslem preacher of Hebron voiced a blessing for "Abdullah, King of Palestine."

At a recent meeting of the Jewish Home for Aged Women's Division, headed by Mrs. Joseph B. Black, Mrs. Isador Singer and Mrs. Joseph Field were appointed treasurer and financial secretary, respectively, of the Women's Division for the carnival, which is to be held on the grounds of the Home in the early Fall.

## Fascist Paper Assails Borah

### Also Declares U.S. "Robbed" Mexico

ROME — Regime Fascista, a newspaper edited by Roberta Farinacci, former Secretary General of the Fascist party, attacked the United States today in an editorial aimed specifically at Senator Borah (R., Idaho).

Quoting Mr. Borah as saying that war was always possible under a dictatorship, the article said:—

"History contradicts the Senator. Wars have been instigated principally by democracies, not the last of which is the American democracy, which simply out of avidity, without any other motive or need, robbed Mexico of a great part of her territory and Spain of Cuba, Puerto Rico and the Philippines."

Complaining of comment by Mr. Borah on the recent bombardment of Almeria by Germany, the newspaper said the Senator "never loses the opportunity to put his bad faith in evidence."

## Arabs to Reject Partition Plan

### Insist on Stoppage of Immigration

Jerusalem (WNS-Palcor Agency)—Formal and official rejection of any program for the partition of Palestine was expressed in a resolution adopted at a meeting of the Arab Higher Committee.

The special session was summoned to discuss recent rumors with regard to the bisection of the country.

In the statement that was made public following the discussion, the Arab Higher Committee reiterated its three demands, including the stoppage of Jewish immigration, prohibition of land sales and the establishment of a national Government.

Referring to the possibilities of partition, the statement of the Arab Higher Committee declares that "such a solution is unacceptable" and adds that the Arabs of Palestine will insist upon the complete fulfillment of demands submitted to the Royal Commission.

## Goebbels Dashes Cold Water On Hitler's Flame

Paris (WNS)—The undercurrent of long-prevalent rumors that Leni Riefenstahl, Nazi Germany's film dictator and reputedly a favorite of Hitler, is a non-Aryan became a fact when Propaganda Minister Goebbels demonstratively walked out of a party in the home of Minister of the Interior Wilhelm Frick because "there is a person here who is not Aryan."

Revealing the incident, the Paris Soir reports that Goebbels told the guests he had with him documents "showing that Leni Riefenstahl had non-Aryan grandparents."

At the request of Frick Leni left the party. On reaching her home she found it surrounded by Storm Troopers who had piled all

her furniture into a truck.

Later she was taken to a hotel and held incommunicado.

It is said that Fraulein Riefenstahl's fall from grace is due to Pola Negri, who has displaced rumors of Leni's non-Aryan ancestry first became current Hitler silenced them by saying: "It is I who decide who is a Jew and who is not." But he took no chances on Pola Negri, having instituted a sweeping inquiry to determine her Aryan parentage.

## Sale of 260,000 Shekels to Give U.S. 90 Delegates

New York (WNS)—The United States will be represented by 90 delegates at the 20th World Zionist Congress opening in Zurich on August 3d, it was revealed by the United States Central Shekel Board in reporting that over 260,000 shekels have been sold in this country, breaking all previous records.

Each 3,000 shekel payers represent one delegate.

Election of delegates to the Congress will be held on June 20th. Local election boards comprising one representative of each of the five parties on the ticket must be set up and their personnel reported to the Central Shekel Board before June 14th.

The largest number of shekels, 100,000, was sold by Hadassah, which has its own ticket in the elections this year for the first time. The General Zionists were next with 71,000, followed by the Laborites with 60,000, Mizrachi

with less than one thousand.

If the proportion of shekel payers holds in the elections the party line-up of the American delegation will be: Hadassah 33; General Zionists 24; Labor 21; Mizrachi 11; State Party 1.

In 1935 there were 169,500 shekel payers in the United States, giving this country a Congress delegation of 57, divided by parties as follows: Labor 26, General Zionists 20; Mizrachi 11.

## Gets Jail Sentence For Libeling Religion

He was also forbidden to make

## Work of Alter Boyman Extolled at Testimonial

"All my work has been inspired by the misery and tragedy that surrounds us. I did not need any urging to do what I could to relieve conditions," declared Alter Boyman in response to the many tokens of appreciation he received at a testimonial dinner, given last Sunday night at the Narragansett Hotel. He said that there was sufficient work for everyone, and that opportunities awaited everyone.

Speakers representing twenty-one civic organizations, with whom Mr. Boyman has been affiliated during the past twenty-eight years, spoke in praise of his willingness to help others, rather than himself. Rabbi Meyer Lasker, son-in-law of Mr. Boyman, opened the evening program by giving the invocation, in which he recounted to the more than 400 present, characteristics of Mr. Boyman. Joseph Smith, speaking for the R. I. Council, and the

"Mr. Boyman dedicates himself to the ideal that he is his 'brother's keeper.'" Simon Wolk and Henry Burt, who have worked in charitable organizations with Mr. Boyman since his arrival in America, related incidents in their cooperative work, which shed further light on Mr. Boyman's personality.

Arthur J. Levy, speaking for the Jewish Family Welfare Society, presented a testimonial, in praise of Mr. Boyman's work, signed by all those at the dinner. Max L. Grant, president of the Jewish Federation of Social Agencies, commented on his liberalism of opinion, and his willingness to conciliate all points of view, for the good of the community. He presented Mr. and Mrs. Boyman with a golden memorial tray.

Mrs. Archibald Silverman, who recently returned from Palestine, remarked that Mr. Boyman's name was almost as well known

#### Berlin "Presumes" Leaders Purged

BERLIN — An official news agency dispatch from Warsaw "presumed with certainty" today that former German Communist leaders who emigrated to Russia had been killed incident to the mass purge of alleged traitors.

"Max Hoelz, originally believed to have drowned, actually was shot by the secret police, as was Heinz Neumann," said the dispatch. "Eleven former members of the Reichstag are known to have been 'missing' for a long time. It can be presumed on the basis of available reports that they met the same fate."

Sources close to the Government described as ridiculous reports that eight army officers executed as traitors in Moscow were spies in behalf of Germany. A Government spokesman asked what the French General Staff was likely to think of the execution of Marshal Mikhail Tukhachevsky, once sent to France as an envoy of its ally, the Russian army.

## Court Upholds Ban on Negroes

White Plains, N. Y. (WNS)—Supreme Court Justice Lee Parsons Davis administered a serious legal setback to those seeking to eliminate racial discrimination in real estate developments when he ruled that deeds excluding persons of Negro descent from owning or renting homes in the Edgemont Hills section of Greenburgh are not contrary to public policy and do not violate the United States Constitution and the 14th Amendment.

Justice Davis' ruling was made in the pleas of Mrs. Marion A. Ridgway of Edgemont Hills for an injunction to force her neighbor, Mrs. Pauline Cockburn, who is partly Negro, to move from her \$20,000 home.

Efforts to revive the raucous Barbary Coast for the 1939 World's Fair have created a furore in San Francisco.

An international trap shooting meet will be held in San Francisco during the 1939 World's Fair there.

New York (WNS)—Civic organizations in Sunnyside, Long Island, are preparing to bring to the attention of Mayor La Guardia and Police Commissioner Valentine the case of Police Captain James F. Smith of the 108th Precinct, Queens, who, it is alleged refused to take action against a brown-shirted member of a veterans' organization who slugged Rabbi Isidore Hoffman, 38, because he uttered the word "Fascist" while listening to a Memorial Day address by Borough President George U. Harvey.

According to the Daily Worker, which revealed the incident, Rabbi Hoffman "muttered the word 'Fascist' after hearing Harvey speak. The uniformed veteran, the Daily Worker says, knocked Rabbi Hoffman down."

When Hoffman appealed to Captain Smith the latter, according to the Daily Worker, refused to intervene.

## Pope to Shift Reich Policy

### Ready to Defend Church Openly

Vatican City — Diplomatic circles reported that Pope Pius had abandoned his cautious, waiting policy toward Germany and was ready to defend the Roman Catholic Church there openly.

A speech which the Pope made to a group of pilgrims astonished his entourage and led some diplomats to believe that an open break between Church and Nazi state was not impossible.

As a first step the Pope was reported considering early publication of a "White Book" on Church conditions in Germany. This book has just been completed by the famous German Catholic juristic expert Mgh. Ludwig Kaas.

Diplomats expected the Pope's statement to enrage Nazi leaders and some predicted that Germany might soon sever relations with the Vatican. It has been emphasized all along that no such move would be made by the Vatican.

## Writer Demands End of Jewish Settlements

Rome — In the most outspoken article of the present Anti-Jewish press campaign, La Stampa, Turin newspaper, today demanded dissolution or radical transformation of Jewish settlements in Italy on the ground that they were harmful to Fascism and too sympathetic with Great Britain.

The author, using the pen name name of Victor, accused Italian Jews of using their religious freedom to create Jewish "racism" through "subtle means, thereby endeavoring to estrange themselves into a national bloc."

This "racism" he wrote, was flourishing particularly in young men's and young women's institutions, which were supposed to have a religious character only. He said this ultimately would result in formation of groups sympathetic with nations like Britain.

The 100,000 Jews in Italy, Libya and Ethiopia thus would be more pro-British than Pro-Italian, he said.

La Stampa is owned by Senator Giovanni Agnelli, a leading industrialist.

## United Action

While the emergency conference on Poland called by the American Jewish Congress and the annual convention of the Federation of Polish Jews, both held last week, did not accomplish anything concrete in the mobilization of strength for the support of Polish Jewry, an important advance was made, foreshadowing a united front in the raising of funds for Poland, through the reported agreement between the Federation and the Joint Distribution Committee. There is no doubt that the present plight of Polish Jewry demands a unification and a coordination of all philanthropic as well as political activities on the part of Jewish organizations and institutions interested in that problem. Duplication not only spells wastage of funds, but also has a tendency to confuse the rank and file of American Jewry.

The leaders of the Federation of Polish Jews in America, especially Benjamin Winter, its president, deserve high commendation for their sensible attitude. Forgetting the acrimonious controversy which only recently flared between the Federation and the J. D. C., Mr. Winter accepted without reservation the proposal of Samuel C. Lamport to abandon competitive fund-raising. The peace between these two agencies is one without victors or vanquished. Compelled by the tragedy of Polish Jewry to make possible the greatest effort by American Jewry for relief of its brethren in Poland, Mr. Winter took the step that the situation demanded. It would be wrong, however, to regard this agreement as detracting in the least from the importance of the Federation of Polish Jews. On the contrary, liberated from the responsibility of competing with or supplementing the J. D. C. relief funds, it can concentrate on a specific function in the same manner as, for instance, Hadassah is doing in Palestine. Our congratulations to the wise leadership of the Federation of Polish Jews.

### MEET THE GANG

Sunday evening saw Alter Boyman fittingly honored by a testimonial, with over 400 people in attendance . . . Speeches were short and to the point, and only two exceeded the ten-minute limit . . . Archie Silverman clicked well as M.C., and introduced Joe Smith, Simon Wolk, Arthur Levy, Henry Burt, Ida Silverman and Max Grant, the latter paying fine tribute to our good friend, Alter . . . Mr. Clark of the Immigration Bureau, surprise speaker of the evening was greatly applauded . . . The Kadimah Choral Society stepped up and did their bit . . . Out of the huge audience, we caught the Rube Zellmers, the Morris Coopers, the Morris Beebers, Abe Lippemayers, the Harry Leachs, and hundreds of others . . . At our table Paul Robin ordered and re-ordered, much to the delight of the Hoffman boys, the Harry Jagolinzers, Max and Ruby Sugarman, and a few others . . . The affair was a grand success, and to Harry Rosen and his committee we send, a "pat on the back" for their excellent arrangements . . .

### MISH-MASH

Add slogan for trailer manufacturer:—"A rolling home gathers no mortgage" . . . Newest brain-buster:—"Quick, what title has the wife of an Earl?" . . . If you give up, I'll tell you—a countless . . . A quiet fellow is Iz Feldman, Motorola Radio distributor . . . What downtown business man is running a temperature of plus, plenty? . . . All because a certain gal, who once worked for him, has opened up her own place, and is giving him a terrific run for his money . . . Believe it or not, but when a certain absent-minded friend of mine was handed his social security card by his secretary, he said, "What's that?" . . . "That card gives you a pension when you are sixty-five," answered the secretary . . . "Well, remind me of it," he answered . . . Hitler, Goebbles and Goerring were taking a walk through the park, where Hitler spied a new trimotored plane, soaring high above them . . . "How happy I'd be," he said, "if we had 5,000 of those planes"

# Shekel Payers to Elect Delegates Sun.

## Local Polling Places Listed

### Five Parties Have Tickets This Year

With the largest enrollment of shekel payers in the history of the American Zionist movement, the election of American delegates to the 20th World Zionist Congress to be held in Switzerland this August will be in this city on Sunday at seven polling places, according to an announcement made today by Dr. Ilie Berger, chairman of the Providence Shekel and Election Committee.

On the basis of one delegate for every three thousand shekel enrollments, an American delegation of ninety persons is assured as over 270,000 shekel holders have been registered with the national office of the Central Shekel Board.

In enrolling in the cause of Zionism, each of the shekel holders signed a petition urging Great Britain not to "infringe on the rights of Jewry in Palestine."

With each of the five parties of the American Zionist movement making last minute efforts to bring out votes for their respective tickets, the Central Shekel Board issued a statement calling on the shekel holders to be sure to exercise their right of ballot.

The pre-election strength of the various parties as determined by the number of paid-up shekels credited to them, is as follows:

Hadassah and Junior Hadassah, 108,000

Zionist Organization of America, 72,000

Labor Zionists 60,500

Mizrachi Organization of America, 30,500

Jewish State Party, 800

The polling places in this city will be open on Sunday from 9 o'clock in the morning to 8 o'clock in the evening, and will be located at: Temple Beth-Israel, South Providence Hebrew Institution, Temple Emanuel, B'nai Jacob Congregation, Jewish Community Center, Barrington—(Dr. Berger's home,) and Narragansett Pier.

## WHERE VOTING RESULTS WILL BE FELT

## General Zionist Issue Statement on Policies

"The delegates on Ticket No. 1 stand pledged unequivocally against the dismemberment of Palestine, against cantonization, against crystallization; in favor of a coalition Executive; in favor of an aggressive political policy; in favor of preparations for as large a Jewish immigration as may be possible; in favor of the enlargement of our national funds; in favor of one Histadruth of Jewish Labor, in which group rights shall be assured and protected," said Philip V. Marcus, local Zionist head, in a statement to the public, as to why they should vote for Ticket No. 1.

He further stated: "The delegates on Ticket No. 1 are General Zionists who regard the central aim of the Zionist movement—the establishment of the Jewish National Home in Palestine—as being the all-inclusive objective of the Zionist movement, with all subsidiary interests or programs secondary, subordinate, auxiliary. The delegates on Ticket No. 1 are pledged to regard the interests of the Jewish National Home as paramount."

Mr. Marcus went on to say that, "Every registered Zionist is called to duty in connection with the Congress elections. We have always appealed for support of the program of the World Zionist Congress, and seldom, if ever, have called for loyalty to interests in which are involved the authority and prestige and earned status of the Zionist Organization of America."

"The time has come for the Zionist Organization of America to make demand of its membership for loyalty. That loyalty is long overdue. That loyalty can be expressed, if the Congress elections are held, by voting for Ticket No. 1 and by not giving a complementary vote to the Poale Zion or to the Mizrahi or to the

Hadassah. If the leadership of the Z. O. A. is good enough to lead American Zionism in these critical times, the Election List they head deserves to be given the support of shekel-payers in the Congress elections, whether they are members of the Z. O. A., of Hadassah, Poale Zion or Mizrahi. That organization which has given the Zionist cause such an abundance of service should come out, as the leading American delegation that occupies a deserved place, in numbers and influence, in the deliberations of the Zionist Congress."

## Reasons Given Why You Should Vote for Ticket 2

By ALTER BOYMAN

The happenings in Palestine during the past fourteen months, demands from every true Zionist, and from every true Jew who is interested in the upbuilding of Palestine as a Jewish Homeland for the Jews and by the Jews, to ask himself the following:

1. What made possible that during the disturbance thirty-seven new Kvuzath shall be colonized.

2. By whom were they built?

3. How is it possible that in the same time when new Jewish Settlements are being built to receive such gloomy reports from Palestine.

The answer to this is: The reports which were received from Palestine are true from both sides and refers to cities like Jerusalem, Haifa, Tel-a-Viv. That with the disturbance stopped coming in new Jewish Capital.

The so called Jewish Capitalists—the so called Jewish middle class is not ready to sacrifice not only with himself but even with a part of his capital. Therefore, business in the big cities is at a standstill. But the Jewish young man, and the Jewish young woman, the chalutz and the chalutzah, who were always ready to sacrifice themselves for the upbuilding of Eretz Israel, under all

circumstances and under all conditions are those who have built those thirty-seven new Settlements, regardless of the disturbances.

The Histadruth, the Jewish Federation of Labor, the organizers of those young men and young women have not lost one percent of their idealism that made possible the condition in the Jewish Settlements, regardless of the darkness of the political situation.

To support the Histadruth means a continuation of the upbuilding of our Jewish Homeland.

Therefore, you are asked to vote Ticket No. 2 on Sunday, June the 20th, for the election of delegates to the world's Jewish Congress.

The platform for the Labor Zionist movement in America, which are the sole supporters of the Histadruth is:—the upbuilding of Eretz Israel on just social foundations; for the undivided organization of Jewish labor in Palestine; for an unpartitioned Palestine capable of absorbing large Jewish masses; for an immigration based on the economic absorptive capacity of Palestine; for friendly relationship between Jews and Arabs through cooperation on the social and economic fields.

## Speaking of Women On Suits for your Swim In which You'll look Trim

By EDYTHE JAY

Swim suits are monopolizing the limelight, and without a doubt, they'll be the all-important part of your sunlight life for weeks to come.

Are you one of those fortunate individuals who can bathe and lie and dream on the golden sands for the best part of every day? . . . If so, you must have an extensive beach wardrobe, and there're no two ways about it . . . If I were you—I'd get a brilliantly colored suit of soft wool, unskirted, always practical and smart . . . And one of those demure printed cotton suits, that are as cool as the proverbial cucumber . . . And

I'd spend Mondays through Saturdays bathing and sunning in these two suits . . . But—come the first day of the week, when "everybody and his brother" are partaking of sun and surf, and I'd splurge out in a dressmaker suit of angel skin, or silk jersey, as it is also known . . . These angel suits come in one color, or splashed with gorgeous flowers and figures . . . See that yours fits you to perfection, and doesn't hang or pull in the wrong places . . . The full skirts that most of them have will do wonders for your figure, whether you're slim, or not so slim.

As concerns rubber bathing suits, I adore them . . . But, too often have heard of unfortunate, (or should say embarrassing) occurrences with them, and I'm not one to trust to luck . . . However, if you're brave, and you do trust to luck, I wish you much—of the good kind . . . The styles of this year's crop of rubber suits are sumptuous, and they'll make you look like a modern goddess . . .

### On Mistaken Identities, Ancestry and Journalism Under Fascist Rule

By WALTER RUTMAN

Since Al Smith was "toasted" as the president of the U. S. while on his tour of Italy a new crop of mistaken identity stories have sprung up. One of the best concerns an American sailor stationed aboard the warship which had been ordered to England for the coronation. There he met a British tar in a London pub immediately after the ceremonies and both got lit up.

The Britisher proposed a toast: "To the new King," to which the Yank replied: "Oh, t'hell with him." . . . The other repeated, belligerently: "To the new King," and again came the reply: "Oh, t'hell with him!" . . . "Is that so?" the enraged Britisher returned. "Well then t'hell with Babe Ruth!"

#### ANCESTRY TREES TO ORDER

Herr Hitler now has a sideline—he makes and unmakes Aryan grandparents in the twinkling of an eye, all for the price of being his "flame". He just de-Aryanized Fraulein Leni Reifenstahl, who gained rapid promotion from nude dancer to head of the Nazi film bureau when she became Hitler's favorite companion. Since 1934 Fraulein Reifenstahl has been pure Aryan.

And now, just to show that his magic wand works both ways, he has just issued a certificate of 100 per cent Aryan purity to Pola Negri—once gossiped about as of Ghetto origin. But as Der Fuehrer says: "It is I who decides who is a Jew and who is not."

#### THE HINDENBURG DISASTER

Der Stuermer, Julius Streichers' infamous big money-making weekly, has discovered the cause of the Zeppelin Hindenburg disaster. On the second page of a recent issue, Der Stuermer published a photograph of the burning ship, above which a smoke cloud had taken on the likeness to a Jewish head. Underneath the picture is the following:

"The first radio picture from the United States shows quite clearly that Jews stand behind the explosion of our Zeppelin Hindenburg. Nature has shown the devil in human form here, clearly and absolutely correctly. Heil Hitler."

#### A FASCIST "FREE" PRESS

How the press takes orders under Fascism is revealed by the translations of orders, smuggled through underground connections, by Giralmo Valenti, editor of the liberal Italian newspaper, La Stampa Libera. The orders themselves are self-revealing.

January 11—Don't reproduce the correspondence from Rome to the Christian Science Monitor on the popularity of Minister Ciano.

January 12—Don't ever attack Switzerland and never publish any news that may annoy her government.

January 18—Don't publish any news of bombardments of inhabited centers by the nationalists in Spain and above all refrain from mentioning Italian or German aviators.

February 20—Absolute silence on the expiration of the terms for sending of volunteers to Spain.

March 5—Don't publish data regarding the gold reserve of the Bank of Italy published by the French newspapers. Absolutely repress any news of the arrival in Naples of wounded volunteers from Spain on one of our hospital ships.

March 31—Praise the new Rumanian minister in opposition to Titulescu, that gentleman of the "savages".

April 18—In the controversy between the Church and Germany overlook and be neutral. Should it be necessary to take a stand, be rather favorable to Germany.

May 10—Put into relief whatever unpleasant incidents occurs during the coronation: underestimate the political conferences taking place in London.

These are samples of the many orders made public by Mr. Valenti. They are sufficient, however, to indicate how a muzzled press takes orders in what has become a war of propaganda between nations.

#### Ladies' Aid Plans for Coal Drive

The Ladies' Hebrew Union Aid Association held the final meeting of their season last week at 191 Orms street, with Mrs. Ephraim Rosen presiding.

Mrs. Harry Kopit reported that the bridge held on June 1 was a success. Mrs. Rosen appointed Mrs. J. Horvitz as chairman of

the Annual Coal Fund Drive, to be held in the Fall. Mrs. Horvitz will be assisted by Mrs. J. Kopit, co-chairman; Mrs. H. Swartz, treasurer, and Mrs. J. Stern, secretary. Mrs. David Baratz donated a hand-made dinner cloth, which will be raffled off on November 2.

More than 20,000,000 admissions are expected at the West's World's Fair in 1939.

## Expulsion From Eden

As Seen by a Young Jewish Artist

"Therefore the Lord God sent him forth from the Garden of Eden . . . and he placed at the east end of the Garden of Eden the cherubim and the flaming sword." (Genesis 3:23.) This paper cut-out is by sixteen-year-old Josephine Goldberg, a New York girl who is living and studying in Lausanne, Switzerland.

The Beerys took possession of the League leadership by defeating the Eatons 4-1 at Hopkins Park last Sunday in a very well played game. The score stood one all until the seventh inning when the Beerys scored one run mainly on the daring base running of Russ Golden. In the eighth Maxie Levy singled across two more runs and sewed up the game for the Beerys.

The Orioles defeated the R. I. Workingmen's Assn. 15-4 at Dillon Field. The Orioles caught the Workingmen who had piled up an early lead, in the fourth inning and then aided by a home run off the bat of Jack Resnick went on

### Germany Bans Jews As Foreign Agents

Cologne, Germany, June 10 (AP)—The Westdeutscher Beobachter, Nazi party organ for the Rhineland, declared today that German firms should not be represented abroad by Jewish agents.

Such suggestions usually are made in party organs only with the approval of Nazi higher-ups. Well informed quarters, therefore, expected an order to be issued soon compelling German businessmen to dismiss their Jewish representatives abroad.

### Summer Formal Held at Weber Duck

The annual summer formal of the Delta Chapter, Zeta Epsilon Pi fraternity was held last week at the Weber Duck Inn, attended by guests from Chi chapter of Providence, and Gamma Chapter of Boston. Joseph Golditch, chairman of the social committee, was in charge of the affair.

Leo Waldman, ex-checker of the Grand Council of the Fraternity, has announced that an outing will be held on June 20 at Lake Nipmuck.

## "Cake Eating" Ministry Scored by Speaker

New York (WNS)—Voicing vigorous opposition to the complete secularization of Jewish life, Rabbi Jacob Kohn, president of the Rabbinical Assembly of America, told the 37th annual convention

of the organization of Conservative rabbis that the rabbis must themselves "be prepared to take over many of the functions which the Jewish community now delegates to lay social workers, or at least must be able to guide these workers in their activities by showing that we are familiar with the problems that confront them and the techniques that are necessary for their solution."

Cautioning that the so-called pastoral work of the rabbi may deteriorate "to that of tea-drinking, cake-eating ministry" unless the rabbinate is "able to render sound practical advice based on thorough knowledge of the psychology of religion and the sociology of communal life," Rabbi Kohn recommended the inclusion in the curriculum of rabbinical training schools of such courses as sociology, psychology and others of the social sciences.

The World's Fair in San Francisco will open February 18, 1939.

## Hadassah Urges Members to Vote Presents Ticket For Own Delegates

All factions of the Zionist Organizations of America will go to the polls this Sunday to elect delegates to the twenties World Zionist Congress, which is to be held in Zurich, Switzerland, Aug. 3rd. Throughout the country, preparations are being made by all Zionist groups for the political event, which Zionist leaders hope, owing to the uncertainty of the Report of the Royal Commission, will demonstrate the unified strength of American Jewry, in defense of Jewish rights in Palestine.

Hadassah, the Women's Branch of the Zionist Organization of America, recognizing the crisis confronting Zionism, and the necessity of strengthening the movement at this time by mobilizing her forces which constitute the largest single Zionist group in the world, has entered her own slate of delegates to the forthcoming Congress.

It has been erroneously reported that Hadassah has taken such action because of a split, politically, with the General Zionist group, but this step was taken by Hadassah only as a means of stimulating political interest among her membership, in contrast to experiences of the past, when Hadassah, appearing jointly on a slate with the Zionist Organization, failed lamentably, to draw her membership to the polls.

The Board of the Providence Chapter of Hadassah met in the Biltmore Hotel, Tuesday afternoon, to outline plans for the local election, Sunday. Automobile and telephone squads were appointed by Mrs. Saul Abrams, president, and all other arrangements made to bring the local Hadassahs to voting stations, on election day.

## Young Judaeans Award Prizes

Prizes and trophies were awarded at the annual Young Judaea outing held last Sunday at Goddard Park. Marshall Marcus, president of the Council, and Milton Scribner were in charge of the games and contests.

The Benjamin Saltzman trophy was won by the Jolly Jewish Juniors; the Rose Winnerman trophy was won by Judaea's United Girls; the Lillian Saltzman cup by the Junior Bialik Club; and the R. I. Council trophy by the Buds of Hadassah.

Prizes in the essay contest were awarded to Sally Ann Horenstein, Naomi Ostrov and Jack Temkin. Activities were interrupted for one minute in silent prayer for the late Harry Cohen.

## Dies of Injuries Received in Pogrom

Warsaw (WNS)—The Brzesc pogrom of May 13th claimed its first direct Jewish fatality when Baruch Silberberg, 43 years old, died in Warsaw hospital of injuries received in the pogrom.

## 25,000 Jews Quit Germany in 1936

Berlin (WNS)—In the last quarter of 1936, 7,000 Jews emigrated from Germany, the total Jewish emigration from Germany for 1936 being estimated at 25,000. Of these 20% went to the United States, 21% to South America, 19% to South Africa and 12% to Palestine.

A tiny gas flame takes the place of all moving, wearing parts in this *different*, noise-free refrigerator. As a result, you enjoy longer, more satisfying service—worth-while savings on running cost, food bills and upkeep *year after year*. Be sure to see the beautiful *thrifty* new models for yourself.
