Vice Chairman and Chairman Initial Gifts Committee of the United Jewish Appeal

Victory will bring greater responsibilities on the rescue front as has already been demonstrated in North Africa, Italy, France and Belgium.

Large sections of the Jewish people have lived in death and destruction for more than a decade. The aid we give to Jews in Europe, the support which we extend to Palestine in opening its doors to tens of thousands of up-

Liberated Jews in Europe, whether in France, Italy, North Africa, Roumania, Bulgaria or Eastern Poland, look to the J.D.C., the U.P.A. and the N.R.S. to continue on an ever-increasing scale, the aid which local committees of these agencies never halted, despite the obstacles and hardships of war.

The Joint Distribution Committee is faced with the responsibility

Chairman of the Businessmen's Division of the United Jewish Appeal

At this crucial stage of the war, the United Palestine Appeal is constantly broadening the war service of the Jewish homeland. Many of the 28,000 Jewish men and women from Palestine who are now serving with the British forces in Italy, India and elsewhere, have won high distinction on the field of battle, while Palestine's 600 new war factories are producing a large variety of war

### To Secede from City to Prevent Jewish Cemetery

BOSTON — Residents of the Centerville section of Beverly, Mass., threaten to secede from the city in order to prevent establishment of a Jewish cemetery in their district.

At a hearing before the Board of Aldermen on a petition by 200 families of the Sons of Abraham for a cemetery in a plot of farm land off Cole St., Miss Dora Edwards, School Committee member and one of the property owners opposing the petition, said plans were already underway to establish a separate township.

A petition signed by more than 100 residents of the district opposing any change in zoning laws to permit a Jewish cemetery was presented to the aldermen.

### Pope to Intercede In Behalf of Jews

WASHINGTON — The Apostolic Delegate in Washington this week assured the World Jewish Congress that Pope Pius XII will continue to intercede as much as possible on behalf of Jews in any European country where anti-Semitism asserts itself in violent form.

The statement was received in response to an appeal by Dr. A. Leon Kubowitzki head of the rescue department of the World Jewish Congress, relative to the Jews of Hungary where deportations of Jews continue under the Nazi controlled Hungarian regime.

The communication added that "the Holy Father will in the future, as he has in the past, do everything possible in favor of these people, whether they be in Hungary or in any other European country."

## Army Appeals to Civilians To Shun Winter Resorts

NEW YORK — An appeal to Jewish civilians to stay away from resorts selected by the Army as Redistribution centers for servicemen returning from overseas, was made public here by the Committee for Army and Navy Religious Activities of the Jewish National Welfare board.

The appeal asks civilians not to spend their winter vacations in Miami, Florida; Lake Placid, N. Y.; Atlantic City, N. J.; Hot

Springs, Ark.; Asheville, N. C.; and Santa Monica, Calif. It points out that these resort communities have been selected by the Army as Redistribution centers because of their climate and hotel facilities, and that to these centers are now coming in vastly increasing numbers the wounded, the sick, the fatigued, the overstrained from the thick of overseas battle conditions.

"The men and their families from whom they have been separated, sometimes for several years, deserve every consideration, every facility that may be available," the appeal emphasizes.

### Coughlin Promotes New Organization

NEW YORK — Charles E. Coughlin is quietly building a new national organization behind the scenes, which will be brought into the opening after V-Day, and is sending his followers into Gerald L. K. Smith's America First Party, it is reported from Detroit by Victor Riesel, New York Staff Correspondent.

Coughlin, who has been relatively silent since the United States entered the war, "is rebuilding his network through the League of the Little Flower," Mr. Riesel says, and is getting new members at a subscription of a dollar each.

### More Than 500,000 Jews in U. S. Forces

NEW YORK — Disclosing that more than 500,000 Jews are in the American armed forces, Brig. Gen. Frank T. Hines, Administrator of Veterans Affairs, told the annual convention dinner of the Jewish War Veterans of the United States that the Jewish people have played a great part in the present war.

## Temple Celebration to Include Testimonial to Judge Joslin

Neuman, president of Dropsie College in Philadelphia, and rabbi of the historic Mikveh Israel Congregation in that city, which ante-dates the American Revolution, will be the principal speaker at the testimonial for Judge Philip C. ### Demand Allies Intervene in the Romania Situation

NEW YORK — A warning that the terms of the armistice between the Allies and Romania affecting the status of the Jews in that country "will remain an empty gesture unless immediate steps are taken for their implementation," was contained in a statement issued this week following a meeting of the American Jewish Conference and the World Jewish Congress.

Commenting on recent reports from Romania, the statement, with which the United Romanian Jews of America concur—draws the attention of the Allied governments to the fact that:

"The economic and political disabilities forced upon the Jews in Romania continue in effect. Confiscated Jewish property has not yet been returned. The overwhelming majority of Jews in Romania suffer deeply from lack of food and clothing."

### Statements That Rile

Next to the oft-heard expression, "Some of my best friends are Jews," the one that irks us most is to be told beginning with "The trouble with you Jews is..." We have been hearing this rather often of late since a series of unconnected acts of vandalism against Jews and Jewish synagogues and property have been noted in various parts of the country.

Magistrates and school principals almost invariably say to the victims, "The trouble with you Jews is that you don't fight back." Now it is undoubtedly true that vandalism is the act of a coward. It doesn't take much character and it doesn't call for much bravery to overturn tombstones in a cemetery or to hurl rocks into a synagogue window under cover of night. Accordingly, a show of resistance will frequently cause the vandals to run for cover.

But certainly good citizenship cannot long survive the injunction that each Jew should be ready to beat up every vandal who comes along. Furthermore these same magistrates and school principals who hand out this advice in the abstract do not show leniency when an occasional vandal is beaten up by a Jewish man or boy. On more than one occasion, police summoned to such a fight fail to arrest the vandal but drag the victim off to the police station for questioning.

If, then, we must listen to the statement, "The trouble with you Jews is," let's listen to the proper ending: "The trouble with you Jews is that you have

**NOTES OF AN INNOCENT BYSTANDER:**

The Moom Pitchers: Lana Turner, whose marriages are always headlined, now appears in "Marriage Is a Private Affair." Lana carries on an absorbing cinema romance as though she invented kisses, while your eyes carry on a romance with Lana's Turners..... A comedy, "Rainbow Island," stars a sarong, ably supported by Dotty Lamour. The lilt is infectious enough to have a juke box named after them....."Aboard With Two Yanks" exhibits some lusty, hair-on-the-Chest humor, but more often the wheezes are tripping over their beards....."San Fernando Valley" offers a batch of scenic-knacks—until the script ruins the view.....A postwar theme is handled shabbily in "My Buddy," making it the first atrocity of peace....."Murders in the Blue Room" searches for goose-pimples and gets lost in a deep yawn.....Hollywood entertainers overseas were shoved a fortnight ago. Recently Olivia DeHaviland was stricken with pneumonia while touring the Pacific war zones.

The Intelligentsia: Paul Kennedy of the Times cinema staff is en route to Spain to report the imminent blowoff there. His ancestry is Irish-Spanish.....One of the first fashion editors to go overseas will be Life's new staffer, handsome Elmer Lower—Destination Paris.....Henry S. Cassidy's piece on what to do with German prisoners is the feature of The Atlantic Monthly.....Gen'l Robert Johnson's first book, "But, General Johnson," (Princeton Univ. **BROADWAY BALLAD**  
Make mine Manhattan—when the Autumn brings  
Its soft enchantment to the noisy town.....  
When memories brush the heart with silken wings,  
And all the leaves are turning golden brown.  
Make mine Manhattan—when the moon is low,  
And tiny taverns bid you enter in.....  
And thoughts go drifting back to long ago.....  
When constancy was marked the Crowning Sin.

And yet how soon a foolish lad can learn,  
That it was you who gave the nights their charm,  
That it was you who made the torchfires burn  
In that brief space before we came to harm.....  
That it was you who made Manhattan mine—  
When Autumn spilled its cask of golden wine!

Ha-Hollywood: It happened on

the MGM lot. A woman writer from New York saw a Red Cross mobile unit parked in front of one of the studios. She hadn't been to the blood bank in quite a spell and she thought this would be a good time to donate.

As a nurse checked on her history, it was discovered that the would-be blood giver was not an MGM employee.

The nurse consulted with the interne, the interne consulted with the doctor and the doctor pondered with his hand to chin.

"I guess it won't hurt," he finally decided, "but please keep it under your hat. We are not supposed to take anything on this trip but Metro blood."

It was at a cocktail party in Washington. A dowager asked a British Major: "What about the privileged classes in England?"

"I presume, madam," was his dead-pan reply, "you are speaking of your countrymen, because at the present time the only privileged class in England are the Americans."

True Story: A Navy officer writes us that a Naval hospital held a contest among the patients to find out how many could pick Betty Grable's legs out of a batch of leg pictures.

The only one who could identify them was a chaplain!

Add public service: NBC's program, "World's Great Novels," which dramatizes the best literature.....The news about another son of Ring Lardner being killed in action saddened the craft.

"There's a telephone  
in the house where I am  
moving  
Can you  
connect it for me?"

This is a perfectly natural question which is frequently asked of us today.

We wish we could say yes in all cases, but our answer must be qualified.

Yes — we can probably connect it if you already have service in the house from which you are moving, and if you are moving within the same exchange or immediate geographical area.

Yes — we can connect it if your use of a telephone is essential to the proper discharge of your duties as a member of one of the following groups: (1) armed forces and government; (2) war production and directly related activities; (3) public health and welfare.

No — we cannot connect it if you

are moving outside of your present telephone exchange or geographical area, and we cannot connect it if you do not have telephone service at your present address, unless you are in one of the above listed groups that are entitled to immediate service.

You see, since there are not enough telephones to go around, we must distribute those that are available as fairly as possible. The telephone that is in the house to which you expect to move may be needed by a doctor or an essential war worker or by someone who has already been waiting many months.

Please understand, however, that your application will not be forgotten, and that it will be filled in its turn.

# Welcome him when he knocks at your door

## THE 6TH WAR LOAN STARTS NEXT WEEK!

**W**ITHIN the next few weeks in every city, town and hamlet, men and women will be knocking on the doors of American homes. They come in the name of your fighting men, giving their time to take your subscriptions for *extra* War Bonds.

Welcome them as though they were actual soldiers from the foxholes of the Pacific. Your boys know what cooperation means during a battle—with them, it's a matter of life or death, victory or defeat. Think of this when a volunteer worker knocks on your door. Double your Bond buying during this drive. Buy at least one *extra* \$100 Bond. Then buy another and another. It's going to take a lot of Bonds to meet the goal of \$14,000,000,000.

Remember that the Japs are firmly united against us. They have 73 million people at home plus many of the 400 million enslaved people in conquered territories working to prolong this war. Japanese industry is strong and modern and they have the supplies

to prolong the war unless *we* stop them.

And remember, when you buy a Bond during this drive, you're backing the boys fighting into the heart of the Nipponese strongholds. Buy Bonds with a grateful heart out of an open pocketbook.

### TAKE YOUR CHOICE!

The "basket" of securities to be sold under the direction of the State War Finance Committee is especially designed to fit individual investment needs. It consists of eight issues:

- Series E, F and G Savings Bonds.
- Series C Savings Notes.
- 2½% Bonds of 1966-71.
- 2% Bonds of 1952-54.
- 1¼% Notes of 1947.
- ¾% Certificates of Indebtedness.

## Pvt. Lester Marks Gets Silver Star

For Gallantry in Action in France

PFC Lester A. Marks, USA, a paratrooper with the first airborne task force, has been awarded the Silver Star for gallantry in action at Le Muy, France, on August 16, 1944, according to a notification received by his parents, Mr. and Mrs. Joseph Marks, of 47 Goddard street.

The citation, in part, said: "Upon seeing that his Company Commander and Platoon Sergeant were pinned to the ground in an exposed position by enemy fire directed from a prepared position until then undiscovered, Private First Class Marks, acting on his own initiative and with complete disregard for his own safety, ran up an outside flight of stairs on a nearby building to a position from which he could fire down into the enemy position. While under continuous enemy fire, using only his rifle, Private First Class Marks succeeded in wounding the enemy officer who then ordered his entire detachment of fifteen men to surrender. Private First Class Marks' prompt and skillful action was an inspiration to the men of his company and a decisive factor in the complete demoralization of the enemy forces holding this village."

PFC Marks also has two brothers in the service: Pvt. Herbert, with the engineers in England, and Pvt. Robert, with the medical corps in Germany.

Palestine has made an historic contribution to victory with the aid of the United Palestine Appeal. Many thousands of others in liberated areas look to us to give them the opportunity to migrate to Palestine and rebuild their lives in an atmosphere of freedom and security.

This can be made possible by generous support of the United Jewish Appeal Campaign in Providence which includes the United Palestine Appeal.

## Men's Club Has Father, Son Night

A father and son night and the presentation of a photograph of the Temple Emanuel Flying Fortress were the features of a Temple Emanuel Men's Club meeting held last night at the Temple.

Burt Shurtleff, author and athlete, and George C. Carens, sports authority and columnist for the Boston Traveler, were among the guest speakers of the evening.

For purchasing \$300,000 in Series E War Bonds, the Treasury Department named a Flying Fortress in honor of Temple Emanuel. And a photograph of the bomber was presented to the Men's Club last night by Roderick Pirnie, state chairman of the R. I. War Finance Committee.

We can expedite the rescue and rehabilitation of large numbers of our brethren by giving generously to the 1944 Providence United Jewish Appeal campaign which is now in progress.

## Wants Evil-Doers Ostracized Rabbi Offers 3-Point Program

BOSTON — Declaring that their wealth becomes their passport of social acceptance, Rabbi Joshua Loth Leibman, in a sermon reprinted in The Jewish Advocate called on the Jewish community to ostracize Jewish evil-doers. He suggested three minimum procedures:

(1) No membership in any Jewish synagogue will be made available to a gross violator of Jewish personal and social ethics.

(2) No contribution will be accepted for the Combined Appeal from any Jew in Boston who has been guilty of the violation of the law of the land or whose commer-

cial and business practices are universally condemned by his equals and his peers.

(3) No acceptance into Jewish social clubs shall be granted to the men of injustice and iniquity.

".....It is no secret," Rabbi Liebman went on, "to anyone Christian or Jew that there are some in our household who have been accumulating and are accumulating wealth either by unjust or illegitimate means. Every decent son and daughter of Israel is inwardly ashamed of the men who pile up their stores of gold by dishonesty, trickery, callous and cynical violation of governmental law."

Rabbi Liebman said he was not so sanguine as to believe that the evildoers would thereby be persuaded to desist from their practices.

## Form Christian Friends of Anti-Defamation Unit

CHICAGO — An intensive four-day conference dealing with measures to combat prejudice and to foster interfaith understanding, attended by specialists in the field from over the nation marked the annual meetings of the National Commission of the Anti-Defamation League of B'nai B'rith and the national staff conference of ADL regional office directors and headquarters staff members.

A highlight of the commission deliberations was a keynote address by Sigmund Livingston of Chicago, founder and chairman of the ADL who declared:

"A disturbing condition today is the prejudice expressed privately in groups throughout the country by men and women in the higher social strata. This, in our opinion, is of greater danger than the rantings of professional anti-Semites. It shows some acceptance by the enlightened and educated and usually sound people of some of the libels and accusations against the Jew."

## To Pay 10 Million for Palestine Machinery

NEW YORK — Plans for the purchase of \$10,000,000 worth of American agricultural and industrial machinery for postwar use in Palestine were announced this week at the conclusion of the metropolitan conference of the Jewish National Workers Alliance.

Edmund I. Kaufman of Washington, D. C., former president of the Zionist organization in America, said the purchase would be handled by the American Palestine Trading Corporation, of which he is chairman of the board.

The project will be financed, Kaufman said, through a loan to be floated by the corporation.

## It Happened This Week

During a dinner of initial gifts personnel of the UJA held at the Narragansett Hotel last week, an impromptu birthday celebration was staged for Dr. Ilie Berger who reached his 60th birthday that day.....The lights were lowered and a cake, complete with candles and icing, was presented to the Doctor.....Everyone present participated in traditional birthday songs and then the audience resumed official, campaign discussions.....We read a letter this week from Australia which mentioned that Mrs. Archibald Silverman will arrive in Providence the latter part of this month.....Incidentally, the initial gifts, thus far, have doubled the total of a year ago which is right in proportion with the new quota.....Figures will be released at the testimonial banquet to Archibald Silverman on Sunday, November 26.

### Honor Roll

Three Providence lads were wounded in action, according to reports released this week.....Two involve a co-incidence in that both reside on the same street, within five houses of each other.....They are Pvt. Herman Greenberg, son of the Benjamin Greenbergs, of Bowen street, who was wounded in the right shoulder in action in France and is now home on leave from Cushing Hospital where he has been under treatment for some weeks.....The other is Pvt. Abraham Golden, son of the Abraham Goldens, who has recovered from wounds received in France.....He was hospitalized in England and later returned to duty with the infantry in France.....The third casualty was Richard H. Sandler, hospital apprentice, son of Mrs. Bessie Sandler, who was wounded at Palau.....He suffered a gunshot in the right hand.....He is recuperating in the Admiralty Islands where he recently met Paul Field and Harold Robinson, both of Providence.....

### More Service Notes

Nathan Gornstein, PO 2/c, USNR, son of the Harry Gornsteins is home on leave after spending one and one-half years in the Pacific Theatre of operations.....He was aboard a destroyer and participated in five major engagements.....After returning to duty he will be assigned overseas once more.....The Jack Weiss' have received word that their daughter PSC Shirley Weiss has arrived safely in New Guinea.....Her brother, Sgt. Jerome Weiss, is stationed in Panama.....

### Odd and Ends

Temple Beth-El will hold their 100th annual congregational meeting this Sunday night at the Temple.....A supper will precede the meeting.....Temple Emanuel will mark its 20th anniversary this week-end with many activities on the calendar.....Events start this

evening and continue through Sunday evening when a testimonial service will be held in honor of Judge Philip C. Joslin who has been president of the Temple since its inception.....Sidney Dix, of our town, and Maxine Gruen, of Hollywood, Cal., were married last Sunday by Rabbi Abraham Chill.....This is the second bride from Hollywood for the Dix family.....Brother Benjamin married Nelly Kushner, of that city, last April.....Ahavath Shalom Synagogue will hold a mass Thanksgiving service next Wednesday night at which time more than 300 servicemen will become members of the Congregation.....Mrs. Morris Shoham is hopping around on one foot these days.....And its not because she's busy with the UJA drive.....It's caused by an injury to a bone in her toe.....Joseph Hyman is the new national commander of the National Society of the Army of the Philippines.....Sgt. M. L. Weinberg has been transferred from Texas to Wright Field Dayton, Ohio.....Sarah Feinberg is the Hadassah delegate to the national convention being held in Cleveland.....Hadassah will start its War Bond drive next week.....So, when you're buying that Bond tell the postmaster or the bank to credit the purchase to Providence Chapter of Hadassah.....A friend of ours flaunted a Camel cigarette this week and then he explained, "A friend of mine sent it to me from overseas."

# MARKED FOR DEATH!

**H**ITLER has marked them for death. Millions of fathers and mothers have perished in Nazi concentration camps and mass execution centers of Eastern Europe. If the children die the hopes of Jewish survival will die with them. They cannot wait for victory or liberation. They must be saved now from the fires of destruction. They must be brought to havens of safety and freedom in Palestine and the Western Hemisphere. If we rescue them today through the United Jewish Appeal for Refugees, Overseas Needs and Palestine, they will help us build the Jewish future when peace comes.

*With U. J. A. Help Many Other Youngsters Like These Can Be Saved*

**1** Child care and feeding programs for refugee children are carried on by the Joint Distribution Committee in Allied and neutral countries. The JDC is also furnishing transportation to bring children out of Spain, Portugal and the Balkans. Many are being helped to emigrate to Palestine and the United States.

**2** Opportunities for the settlement and rehabilitation of child refugees in Palestine are being provided by the United Palestine Appeal. Many youngsters, orphaned by war and oppression, are finding new happiness in the Jewish homeland as a result of the UPA's rebuilding and development activities.

**3** Care for refugee children who reach the United States is being provided by the National Refugee Service through its affiliate organization, the European Jewish Children's Aid. The young arrivals are helped to become adjusted and return to normal life in an atmosphere of freedom and security.
