More Than Million Survive Nazis Ordeal in Freed Areas

LONDON — Latest figures of Jews who have survived the Nazi ordeal in most liberated areas were issued by the National Committee for Rescue from Nazi Terror, in the European Review "News from Europe."

The figures are:
In Romania, 350,000 Jews survived.
In Poland scarcely 50,000.
In Russia 250,000.
In France 180,000.
In Hungary 100,000.
In Bulgaria 45,000.
In Liberated Italy 25,000.
In Belgium 22,000.
In Greece 10,000.
In Yugoslavia 7,000.
In Liberated Holland 3,000.
In Sweden, Switzerland and Spain 40,000.
The total for these places of

residence is 1,382,000. In the last published "News from Europe," the Committee stated that there were still between 500,000 and 600,000 Jews in the territory under Nazi control according to "high German authorities."

Some of these Jews have since been liberated. It is probable that the total number of Jewish survivors—apart from Russian and Baltic Jews—may rise to more than 1,500,000

Before the war the total Jewish population in the countries listed was about 5,900,000, which means that more than 4,000,000 have fallen in the Nazi program.

The president of the Committee for Rescue from Nazi Terror is the Marquis de Crewe. The chairman is D. H. Grenfell, and vice-chairman Miss Eleanor F. Rathbone. Its supporters include the Archbishops of Canterbury, York and Westminster.

Shavuos

By the Rabbinical Association of Rhode Island

"The Book and the Sword descended from heaven, bound together" is a saying from the Talmud. This year, as we face the Festival of Shavuos, commemorating the Revelation on Sinai and the giving of the Ten Commandments, this statement becomes especially meaningful.

As we celebrate V-E Day we cannot but contemplate the terrible price in human misery mankind has had to pay for the choosing the Sword rather than the Book.

The Conference of the United Nations once again gives mankind the opportunity to choose the way of the Book, the way of peace and understanding. As descendants of those who stood at Sinai we earnestly pray that this time the world may choose wisely. More than any other people does Israel know the horror of the Sword, the brutalities it engenders, the destruction it leaves in its wake.

And so, at this season, we rededicate ourselves to the life of Torah, in the full realization that "its ways are ways of pleasantness and all its paths are peace."

Objectives

The Jews have special objectives in San Francisco. The accredited organizations serving as advisers to the American delegation will press the claims for admitting Jews to Palestine. They will urge such modification in the mandates and trusteeships system that no one nation can continue to use man dated territory chiefly as a pawn in the game of Empire.

They will urge, together with other peace seeking bodies of the world, promulgation or a world bill of rights assuring to the humblest the human dignity against which the main Nazi attack was delivered. So the cause of humanity is championed and made good by the first and most grievous sufferers from the Nazi war against civilization.

Their case is proved beyond any doubt and they of all people will watch with most concern to see whether the United Nations Conference gives unmistakable signs that it has learned the lesson of the past twelve and more agonized years.

Ministers Score Gerald Smith

CHICAGO — Gerald L. K. Smith was termed a traitor to American democracy at a meeting of more than five hundred Chicagoans led by prominent ministers. The meeting was arranged by the recently organized Chicago Council of Applied Religion and included in its platform "vigorous opposition of all forms of racism, anti-Semitism and political bigotry."

Archibald Kery, Jr., Minister of the Woodlawn Episcopal Church, declared that he wishes to be counted as one who "has the courage to say publicly that Smith does not represent America nor does he represent Christianity"

Anti-Semitism Slows Down Repatriation

LONDON — A strong wave of anti-Semitism has swept areas of the USSR formerly occupied by the Germans, and as a result the Soviet Government has been forced to slow down the return of Jewish refugees in an attempt to prevent the infection left behind by the Nazis from getting out of hand, according to John Parker, M.P. Secretary of the Fabian Society and member of the British Parliamentary delegation to the Soviet Union.

"Mighty 7th" Bond Drive Has 79 Million Dollar Goal

The efforts of seven major groups in the state will be devoted for seven consecutive weeks toward making the 7th War Loan in Rhode Island "the most effective outpouring of dollars to aid the war effort our state has ever seen," Roderick Pirnie, chairman of the R. I. War Finance Committee declared last night in making public the plans for the drive scheduled to begin on Monday and to continue through the month of June, plans which he said have been in the making for several months.

"In the traditionally American language of baseball," Mr. Pirnie said, "we have called 'all up' for the Mighty 7th', and the response to that call has been the most enthusiastic collection of plans to sell war bonds we have ever seen. We shall need this enthusiasm and

DR. ILIE BERGER
Guest of Honor

To Dedicate Roger Williams Colony

Combined Event
To Occur June 12

Well-merited recognition for a life-time of untiring service in behalf of the welfare of his people will be tendered to Dr. Ilie Berger on the occasion of his 60th birthday at a testimonial dinner in his honor to be held on Tuesday, June 12, at the Narragansett Hotel.

A state-wide committee, consisting of leading citizens in all walks of life headed by Ben Sopkin and Ira S. Galkin, chairman and co-chairman, respectively, is planning a program in keeping with the interests and activities in which Dr. Berger has taken an outstanding part for more than three decades.

The dinner will also mark the culmination of an achievement that will be eternally associated with Rhode Island Jewry—the Roger Williams Colony in Palestine, which will be officially dedicated as a milestone in Palestine's continued progress.

Speakers at the dinner will include Senator Owen Brewster of Maine and Governor J. Howard McGrath. Archibald Silverman, president of the Colony, will preside. Further details of the program will be published in subsequent issues of the Herald.

"Ben Sopkin, chairman of the committee, said this week that "all too often we fail to realize how much we owe to our active leaders for the good they do at great sacrifice to their own well-being. Dr. Berger's activities in the religious and philanthropic work in the city is second only to his life-long devotion to the world problems of the Jewish people and to the up-building of Palestine as the Jewish National Homeland. I am happy to have a part in the arrangements to pay tribute to such an outstanding worker."

General officers of the Roger Williams Colony, under whose auspices the dinner is being held, include Gov. McGrath, honorary president; Archibald Silverman, president; Arthur Darman, executive chairman; Mrs. Samuel Michaelson, associate chairman; Alvin Sopkin, treasurer; and Charles Temkin, assistant treasurer.

Jewish Quisling Sentenced to Death

PARIS — A special court this week sentenced to death Silvain Baur, a Jewish internee at the Drancy concentration camp, who helped the Gestapo and the Vichy militia arrest and loot Jews. Baur is alleged in this manner, to have made 100,000 francs monthly, which was supplemented, from time to time, by fees of 500,000 francs, each, which he received for promising to arrange the liberation of internees. In all cases, however, the victims paid their money and were then deported.

Charges State Department "Protects" Arab Delegation

SAN FRANCISCO — Reporters at a press conference for Amir Faisal Ibn Abdul Azziz, head of the Saudi Arabia delegation to the San Francisco Conference, were urged by an official of the State Department to avoid querying the Arab prince regarding Palestine and other "controversial issues" on the grounds that the Amir was a guest and therefore "should be shown courtesy and not embarrassed."

Reporters, however, ignored the

"courtesy" suggestion of L. W. Parker, of the Near East Division of the Department of State, and in answer to questions, the Amir stated that he did not believe the Palestine question would be taken up at San Francisco. He declined to comment otherwise on numerous Palestine issues and avoided committing himself regarding the much-heralded Arab League which he said "was aiming at this time, at economic and cultural co-operation and whose final character it was too early to predict."

At the same time, it was learned, that the State Department's policy of preventing any possible embarrassment to the Arab delegation has extended to the radio when a reporter covering the conference was interviewed on Near East problems by the commentator of a well-known network who asked him to refrain from references to the "Jewish problem."

Histadrut Victory Rally on Sunday

Baruch Zuckerman, of New York, veteran Labor Zionist, will be the guest speaker at a victory rally of workers and friends this Sunday evening at 8 o'clock in the Biltmore Hotel, it was announced this week by Dr. Ilie Berger, chairman of the Providence Histadrut campaign.

Reports of the campaign will be given by the various committee chairmen. Miss Leah Post, concert artist, will present a program of Jewish and Hebrew folk songs.

600 Children Survive Tortures At Buchenwald

NEW YORK — Full evidence of the Buchenwald concentration camp horror is revealed in information received by the Joint Distribution Committee here that 600 Jewish orphans survive the camp death program which exterminated their parents.

News of the children was transmitted to the J.D.C. by an army chaplain at the camp, and was released this week by Isaac H. Levy, a vice chairman of the J.D.C. 1945 campaign.

Mr. Levy stated, "If the Nazi extermination program at Buchenwald follows the same pattern used at other camps, then we know that the parents have been torn from their children to be taken to the gas chambers; and we know, too, that these children have endured, alone, a horrible, frightening existence in the camp."

MAY PROBE BIAS

Carry On!

Already our victorious eagles are on the wing from the battlefields of Europe to the Pacific... symbols in the sky of America's invincible armies and fleets. With prayers of Godspeed we at home follow their flight. With humble thanks we open our hearts to the youth of the land who made this great day possible. But we do not pause in our work. Victory does not come in half-measure. With all our will and with all our might, we remain a nation at war until Victory is full-measure... in the Pacific as in Europe... and all our eagles come home.
