#### Agency Protests Action of Arabs

**Deny Palestine Is Arab State**  
SAN FRANCISCO — The Jewish Agency for Palestine this week filed a memorandum with the UNCIO secretariat in San Francisco protesting against the circulation among the UNCIO delegates of the appendix to the charter of the pan-Arab league which claims that Palestine is an Arab state and should be included in the league, and that the league has the authority to designate an Arab representative for Palestine. The Jewish Agency memorandum points out that Yeman and Transjordan, which are not members of the United Nations, are signatories to the league pact, and says that on this alone the secret.

#### Lively Discussion Precedes Vote

##### Board of 55 Directors Named

With only three dissenting votes, more than 200 contributors to the 1944 UJA last Monday night voted to form the General Jewish Committee of Providence, Inc., which would replace the present UJA structure. The new organization has the following purposes:

"To conduct an annual campaign, and to collect, receive and distribute funds for the support, maintenance and development of such Jewish charitable, cultural religious organizations as are willing to participate as beneficiary agencies; to assist in communal activities and to promote general Jewish welfare."

Archibald Silverman, chairman of the 1944 campaign who presided at the meeting and who later was elected the first president of the General Jewish Committee, prefaced the discussion with a brief summary of the aims of the proposed organization. Following his remarks, Jacob Temkin, chairman of the committee of nine delegated to draw up a suitable constitution for the organization, read the by-laws.

Among those who participated in the spirited discussion of the by-laws were Rabbi Morris Schusheim, Harry Leach, Isaac Moses, Harold Sydney, Alter Boyman, Rabbi Israel M. Goldman, Rabbi Abraham Chill, Max L. Grant, Benjamin Kane, Arthur Levy, J. William Ress, Saul Abrams, Samuel Shore, Mrs. Arthur Einstein, Solomon Lightman, Morris Shoham, Arthur Kaplan, Alvin Soppkin, Rabbi Morris G. Silk and Louis Trostanoff. Questions concerning the by-laws were addressed to Mr. Silverman and Mr. Temkin. The name and purposes of the new organization were the two points that attracted the attention of the speakers.

After two and one-half hours of questions and answers, a motion was made by Samuel Shore that the by-laws be approved as read. After the motion was seconded, Mr. Silverman called for a standing vote and the new organization was overwhelmingly approved.

Election of officers then occurred and, in addition to Mr. Silverman the following men and women were chosen: Alter Boyman, Benjamin Brier and Joseph W. Ress, vice-presidents; Frank Licht, secretary; Milton Sapinsley, treasurer.

Members of the board of directors: M. Louis Abedon, Saul Abrams, Dr. Ilie Berger, Max Berman, Maurice Berren, Harry Blacher, Leo Bojar, Irving Chucnin, Mrs. Arthur Einstein, Benjamin Elman, Irving I. Fain, Mrs. Saul E. R. Feinberg, as president of Hadassah, Abe C. Fine, Joseph

#### Editorials

##### Peter Bergson

The swaggering, swashbuckling, self-styled handful of "Hebrews" comprised of Peter H. Bergson and staff are seriously imperilling the political position, gains and objectives of the Jewish people. Their latest move was the introduction of a resolution in the House calling for recognition of the Hebrew nation.

The Jewish people needs no euphemism. We have suffered as Jews, we have died as Jews, we shall survive as Jews. Our claim to Palestine as Jews has been internationally recognized by the Mandate which established the Jewish Agency for Palestine as official spokesman for the Jewish people in all matters relating to the status of Palestine. Using Hebrew, the ancient and honorable name of our people, a group of interlopers is attempting to commit a coup d'etat by means of publicity.

The five million dead in Europe, Jewish Palestine speaking thru its elected representatives, the American Jewish Conference speaking for the majority of American Jewry, and other groups in American Jewish life speaking for smaller sections, are sidetracked by the publicity-dexterous Bergson and his followers.

It behooves men in American public life to ascertain the facts before introducing any resolution instigated by the Bergson Hebrews. The Congressional authors of the Hebrew nation resolution were doubtlessly moved by good intentions, but the aim achieved by the introduction of the resolution can only result in detriment to the very people, the Jews, whom they seek to help.

#### Zionists Report \$200,000 in Bond Drive; Response Slow

With more than \$200,000 in war bond purchases to their credit, members of the Zionist groups in Rhode Island this week re-iterated their request to the public that their bonds be credited to the Zionists. During this mighty 7th drive, the Zionist organization, nationally, has pledged itself to sell \$95,000,000 in bonds which would enable the organization to name an air-craft carrier of the Coral

Sea type. Dr. Ilie Berger and Dr. Myron Keller, chairmen of the Rhode Island and Providence districts, respectively, issued the following statement this week: "We've done a good job so far and we are on the way to a new record in Rhode Island. But the end of the road is still five weeks and nearly three million dollars away. We

#### War Bond Drawing At Ahavath Sholom

Admission is free and there will be a program of entertainment.

#### Brewster Predicts White Paper Action

LOS ANGELES — A Congressional resolution "within the next sixty days" will force Britain to rescind the White Paper restrictions on Jewish immigration into Palestine, United States Senator Owen Brewster of Maine announced in addressing a meeting of the Ladies Apparel Division of the United Jewish Appeal in Los Angeles.

America, he said, has a moral right to "a periscope in the Middle East," which is a vast storehouse of oil, and a Jewish Palestine would be America's best friend in that area.

#### Tribute Paid to Half-Million Jews in Armed Services

NEW YORK — Tributes to the valor of the more than 500,000 Jews in the armed services of the United States were expressed by President Truman, General Eisenhower, Admiral Nimitz and many other high ranking Army, Navy, and Marine officers in messages to the 50th annual memorial services held at Temple Emanu-El by the Jewish War Veterans of the United States.

Said President Truman: "I trust that all of the living members of this organization will dedicate themselves anew to the ideals of patriotism which they and their

compatriots have upheld through so many decades."

"The record of the American fighting man in this theatre of war is a proud one" declared General Eisenhower. "It has been established by citizens of every race and creed." In a telegram from his Pacific headquarters, Admiral Nimitz paid tribute to the Americans of Jewish faith who have given their lives in the fight against tyranny and oppression. The memorial services were preceded by a parade down Fifth Avenue in which ten thousand members of the JWV participated.

**NOTES OF A NEW YORKER:**

An Argentine official was addressing a gathering of Col. Peron's officers clique. He shouted: "The plutocrats who are responsible for this war must not go unpunished! The Yankee and British imperialists who are trying to squeeze our beloved Argentina to the wall attempted to do the same to Germany. That is why the German nation under Hitler struck back at their enemies. Nor can we allow the Jewish-Bolshevik alliance (which emanates from Moscow) to hem us in. We, too, must try to 'save the world from the Red menace!'"

At that moment a messenger placed a slip of paper into the speaker's hand. He glanced at it and read, "Argentina invited to World Security Conference."

Startled, the official cleared his throat and resumed: "And so, in conclusion gentlemen, I say 'Long live Democracy!'"

**Eat-Your-Own-Words Dept:**  
Edward R. Stettinius, in a letter to Rep. Jack Anderson of California (dated January 28, 1945) wrote that the U. S. should not enter into normal diplomatic relations with the Fascist military clique which is in control of Argentina.

A couple of dainty debs tripped into a swank bar. "I never drink in the afternoon," said the first, expertly settling herself on the stool, "but I'm simply beat. Gotta have something to pep me up."  
"Me, too," moaned her friend. "What were you doing?"

"Oh gahd," was the reply, "I just came from the most awful cocktail party."

At the Metropole Cafe folks discussing the pro-and-conference news mentioned that "Frisco" isn't the term San Franciscans prefer when referring to that great city.

"Hmmm," remarked a wag, "whaddaya hear from Joe San Francisco lately?"

A San Francisco gazette of the crime-ridden Gold Rush period carried this item: "Some contend that there are really no laws in force here but the divine law and the law of nature; while others are of the opinion that there are laws in force here, if they could only be found".....Newspaper men of that day hurled insults both verbally and in print. Some wrote satirical verse. They took sides in political quarrels to the point of fist fights and duels.

One editor hung a placard over his desk, reading: "Subscriptions received from 9 to 4; challenges from 11 to 12 only."

In the course of one of his lecture tours, Mark Twain made a stopover at a small California town. Before dinner he visited the barber shop for a shave..... "You're a stranger in town, aren't you?" queried the barber.

"Yes," Twain replied, "This is my first time here."

"You chose a good time to come," the barber continued. "Mark Twain is going to lecture tonight. Think you'll be going?"

"Oh, I guess so."

"Have you bought your ticket? If you haven't, you'll have to stand, 'cause everything is sold out," warned the barber.

"Doggone!" cursed Twain. "I never saw such confounded luck!"

Every time that fellow lectures, I have to stand!"

A west coast war plant has discovered a unique way of checking absenteeism. A labor-management committee investigates all employees who do not report for work. If it is found that an individual has been needlessly absent, the following payday he receives some Jap currency in his envelope and a note which reads: "The extra money is a bonus sent by the Mikado. It is Hirohito's personal reward for your failing to report for work. He was glad to pay you for not making the war materials our soldiers need."

Gelett Burgess edited a magazine called "The Lark" in the 90s. One of its famous contributors of nonsense verse was Carolyn Wells. It was in "The Lark" that Burgess' classic, "The Purple Cow," appeared, and also this one: "I love to go to lectures and make the audience stare, by walking 'round upon their heads and spoiling people's hair!"

Burgess was wise. He ditched the magazine while it was still thriving, explaining "I wanted it to die young and in its freshness."

ler, Carolyn Backerman, Evelyn Block, Muriel Block, Dr. Irving Fradkin, Harriet Keller, Dr. Morris Keller, Max Kornstein, Molly Moses, Irene Polikoff, Claire Shapiro, Bonnie Stepner.

JNF Chairman

**MRS. CHARLES MARKOFF**  
Mrs. Charles Markoff, JNF chairman of the Providence Zionist District, stated this week that the dedication of Nachlath Roger Williams at the testimonial dinner to Dr. Ilie Berger on June 12 at the Narragansett Hotel is a "fitting tribute to a man who has worked so long for Palestine."

**Edward Reed, Manager of Strand, Marks Anniversary**

The Strand Theatre will celebrate its 30th anniversary next week together with Edward L. Reed, managing director, who has been with the theatre since 1915.

Reed's theatrical career started in the old Nickel Theatre when he was 14. He worked as an usher, sold tickets, collected tickets and took his turn as a stagehand. After two years, he was assigned to the operator's booth. He is a charter member of I. A. T. S. E., Motion Picture Operators' Union, Local 223 of Providence.

From the Nickel, Reed moved to the Bijou. He then transferred to the Old Empire and from there to the Scenic. Shortly afterward, he became chief operator of the Casino Theatre, owned by Charles Williams.

When the Strand Theatre was built in 1915, Reed moved to the new theatre with Williams, becoming assistant manager to Williams. In 1921, Williams resigned and Reed succeeded him as managing director of the Strand. The jump from usher to managing director was accomplished in 15 years.

The Strand, under Reed's promotion and with the cooperation of various women's organizations, was the first theatre in the country to conduct special Saturday morning shows for children. At Christmas time, he originated toy matinees. Admission was by toy only, and the truckloads collected were distributed among the city's needy children. In leaner years,

**EDWARD L. REED**

he substituted canned goods and other staples for toys, and supervised the distribution of huge baskets of food where they were needed most.

Reed is a member of the 25-year group of Elks and at one time was president of the now disbanded Exchange and Gaspee Clubs.

The Strand has operated through two World Wars and survived the lashings of two hurricanes. The first hurricane closed the theatre for six weeks when an accompanying tidal wave flooded the house to the footlights. During those six weeks, Reed never went home—never left the theatre.

As managing director of the Strand, he has sold millions of dollars worth of War Bonds and participated in the March of Dimes campaigns, the Community Fund and Red Cross drives.

**Dorothy Troup Wins Essay Contest**

Dorothy Troup has been awarded the first prize in an essay contest sponsored by the New England Zionist Youth Commission, it was recently announced. The prize, a four-week vacation at Camp Teyva, Brookline, New Hampshire, was given for Dorothy's composition, "How a Jewish Commonwealth in Palestine Will Help to Combat Anti-Semitism". Dorothy is a member of the Hatikvah Girls Young Judaean group.

Marshall Kirshenbaum and Eugene Weinbaum, who are members of the B'nai Zion Club, won second prizes. Their names have been inscribed in the Safer Hayeled. Robert Block, of the Sons of Akiba Club, received third prize and was awarded a set of stories from the Jewish Children's Book-of-the-Month Club.

**IT HAPPENED THIS WEEK**

It was a memorable evening last Monday when more than 200 contributors to the UJA gathered at the Biltmore Hotel and democratically discussed and approved the General Jewish Committee of Providence. It was a grand display of co-operation in preparing and arranging for the meeting.....

The community owes a vote of thanks to Archie Silverman, Alter Boyman and Jack Temkin and their respective committees for the final accomplishments.....

The committee called by Rabbi Morris G. Silk to discuss the proposed program of religion in schools met last Monday and heard reports from Rabbi Israel M. Goldman and Saul Abrams.....Further discussions are to take place before a decision is made.....The committee does favor a program of religious ethics in schools, a subject more universal in text.....

T/Sgt. Jerome Ruben, son of the Morris Rubens, has returned from Italy after 10 months of duty with the 15th Air Force.....He was on 50 missions and has received the air medal, three oak leaf clusters and his unit has a presidential citation.....Sgt. Ruben is a radioman in a B-24.....He will be home for 30 days.....Cpl. Martin Berman, son of the Max Bermans, who has been overseas for 32 months, was part of a unit that constructed the first air fields, east of the Rhine.....

Sydney J. Hoffman has been elected president of the R. I. Association of Credit Men.....Abraham Werner, son of Rabbi and Mrs. David Werner has been chosen to head the Student Council at the Rabbi Isaac Elchanan Theological Seminary.....Miriam Blumenthal and Silem Cohen were married last Sunday in an out-door ceremony held on the lawn of the Samuel Banders.....Silem is Mrs. Bander's brother.....We are still hearing comments on the magnificent wedding of Gloria Medoff to Lt. Meyer Goodman, which was held last week in the Waldorf-Astoria Hotel in New York.....

The Zionists throughout the country, as well as in Rhode Island, are backing the 7th War Loan Drive, by promising to sell 95 Million dollars in War Bonds. When this is accomplished the Zionists will name a huge aircraft carrier of the Coral Sea Type.

Now 95 million dollars is a lot of money in any man's language. Rhode Island's share will require big purchases by everyone. And when you do buy War Bonds, make certain that the Zionists receive credit for your purchases.

Make your community proud of the Zionists by helping them reach their goal.

### ATTENTION!

When buying bonds be sure and credit the Zionist Organization and mail your stamped receipts to the chairmen—
