Weizmann Calls for UN Token Force

Delegation Off To Palestine

ATLANTIC CITY—An economic and defense delegation of 50 American Jews will fly to Palestine in February to survey needs of the new Jewish state. Henry Morgenthau, Jr. made the announcement at the final session of the national conference of the United Jewish Appeal, of which he is general chairman.

Some 1300 delegates to the conference approved a resolution calling for the raising of \$25,000,000 before the end of this month as an emergency fund for Palestine.

The Palestine delegation will fly in chartered planes, Morgenthau said, and on its return will tour the U. S. A. in a drive to raise \$250,000,000 in 1948 for the needs of world Jewry.

Hold Chanukah, Birthday Party

A combination Chanukah and birthday party was celebrated at the Jewish Home for the Aged last Sunday under the sponsorship of the Ladies' Association of the Home.

The program under the leadership of Cantor Schlossberg, included Marilyn and Francine Glazer, accordionists; and Cantor and Mrs. Israel Breitbart, Walter Lewens and Cantor Schlossberg singing Jewish and Hebrew songs, accompanied by Dr. Robert Weiss.

The birthday celebrations were for eight women and four men of the Home, who were given special gifts. Mrs. Philip Korb donated a birthday cake. Hostesses were under the direction of Mrs. Jacob I. Felder.

Palestine Police Operate Black Market in Escorts

JERUSALEM—A black market in armed escorts has been flourishing in Palestine for the past week, with British policemen hiring themselves out as paid guards to ride with Jewish convoys. Police who are engaging middle men to contact Jewish transporters, have an elaborate price list and offer discounts for round trips.

These facts appeared so fantastic that Palcor carefully checked and doublechecked before putting them on the wire. The black market police protection began last week in Jerusalem's old commercial center. In the past few days it has branched out to most

of Palestine's key highways, and Jews are charging that regular police protection is denied them by the government.

It was learned from several reliable businessmen that they can buy the police services at the following rates: A convoy of seven trucks with a British police officer in each, costs \$320 from Jerusalem to Tel Aviv. The return trip, if made immediately, costs only \$160. Small convoys, of three trucks with two policemen each, costs \$100. A private car with two British escorts costs \$40, but a little bargaining may knock the price to \$24.

Arabs Cut Water Supply in Negev

JERUSALEM — Reports reached Jerusalem this week that Arab bands, operating in "military-like formations," had cut the water supply of 14 Jewish settlements in the Negev, the southern desert region.

Squads of Jewish Hagana men hurried out to repair at least five punctures in the long pipeline winding across the desert and through the settlements the Jews have so laboriously planted. If their water supply is stopped, the settlements may face real trouble. The areas around them are largely Arab.

Fearful of their position, the Negev Jews, working through Hagana, were reported putting up "security houses"—virtual fortresses with a 60-day supply of

food, water, arms and ammunition against Arab sieges.

It was the first report of important Arab activity in the Negev area, the greater part of which eventually will become part of the Jewish state. The colonies were planted in a lightning swoop last year, in what amounted to an overnight military operation.

The rest of Palestine was not quiet, although action was sporadic and scattered. Funeral processions, always occasions for increasing bitterness in situations like this, were being held today in many Arab and Jewish settlements.

In all-Jewish Tel Aviv, 10,000 Hagana men followed the bodies of 10 Jewish settlement policemen who were killed Sunday night

in a battle with Arab Legionnaires from Trans Jordan, who are on police duty in Palestine.

Auxiliary Elects Mrs. Beverly Seigel

The Rhode Island Ladies' Auxiliary, Post 23, Jewish War Veterans, elected Mrs. Beverly Seigel as president at a recent meeting. Other officers chosen were Mrs. Anna Lipsey, senior vice-president; Mrs. Ida Pearl, junior vice-president; Miss Pearl Cohen, treasurer; Mrs. Nellie Rosen, chaplain; Mrs. Irwin Rosensweig, conductress; Mrs. Bertha Hartwich, Guard; Mrs. Lillian Reuter, Mrs. Bessie Weisel and Mrs. Rena B. Vecker, trustees.

'48 Goal Set At 250 Million

When the 1300 delegates at the Atlantic City convention of the United Jewish Appeal adopted the unparalleled sum of \$250,000,000 as the minimum goal for the 1948 campaign of the UJA, it automatically hinted to communities throughout the country that the respective goals would have to be increased approximately fifty percent—in Providence this would call for a quota in 1948 of \$1,600,000. Whether this amount would include funds for the Hagana was not clear.

ASKS AMERICAN HELP

ATLANTIC CITY—Invoking the American record of help to "young democracies and old and even to democracies that haven't quite been born yet," Dr. Chaim Weizmann, the renowned scientist, who stood at the cradle of the movement for the upbuilding of Palestine, called upon the United States to help the Jews bring "lasting peace to Palestine and to the entire Middle East."

"We are prepared to fight to make secure the scaffolding of the Jewish state. But I feel that a token force acting for the United Nations stationed in Palestine is needed to show the world that the UN is determined to see its plan for a Jewish state carried through to realization."

The noted Jewish leader warned that a decisive period faced the Jewish people, emphasizing that "no state has been handed to us on a silver platter." He emphasized that all the Jews have been given is a "chance."

"We have been given only the opportunity, the clay with which to mold the Jewish nation, to build it into a structure that we can all be proud of. Unless we understand that we have an opportunity to which we must give meaning as well as flesh and bones, we shall not realize the destiny that is at our doorstep," he declared. "If we do not make the most of it, we shall miss our rendezvous with history," he added.

Editorials

Britain's Aim In Palestine

The House of Commons debate on Palestine shed much light on the curious mentality with which Britain's government is viewing its obligations as a good member of the UN.

"Our acceptance of the UN partition plan is not grudging," vehemently declared Arthur Creech-Jones, the Colonial Secretary. But in the same breath Creech-Jones:

Attacked the partition plan as lacking enforcement provisions;

Invited the UN Palestine Commission to stay away from its job until practically the eve of the day—May 15—on which the British intend to lay down the Mandate.

This same impartiality was to be noted in Bevin's speech before the House of Commons. No one could dream, listening only to Bevin's words, that if there is bloodshed in Palestine today, the Arabs started it, and not the Jews. Britain's greatest Foreign Secretary since Anthony Eden couldn't forebear, en passant, to make some dirty cracks at American Zionists and the U. S. Government and to imply that if it hadn't been for "outside interference" the Palestine problem could have been settled long ago.

Britain's intention, far from being obscure, is quite obvious—to complicate and wreck the UN's plan for the partition of Palestine.

THE SPORTS SCREEN

By SYD COHEN

Usually, about this time of year, many sports columnists like to look back through the 12 months just coming to an end and review what has happened in the sports world since the previous January. Outstanding teams and players, important deals, prospects for next year, predictions and the like go into these columns, which serve as a reminder of what has gone before.

In writing my review early, I am brought to mind of a rather surprising development of the fading year—one that not many fans may have thought much about—but a truly important factor in the local sports scene. That is the emergence of women as true sports fans.

Oh, I know that many women were and have been sports fans for a long time. Mostly, however, they enthused in the background without knowing much of what it all was about. This year, somehow, it was different.

Take the 1947 baseball season, for example. In what previous year can you recall seeing a fellow take a girl to a ball game on a date? Or seeing a married couple spend their regular night out sitting in the stands at Fenway

Emanu-El Bowling

By MAXWELL WALDMAN

Joe Primack's Indians fought it out down to the last box with Gil Woiler's second place Reds before the latter finally succumbed 4-0 to give the Indians an eight-game lead in the pennant race. The Reds dropped down to a three-way tie for third place with Lenny Schoenberg's Dodgers, who dropped three to Jack Orchoff's Cubs, and Billy Kagan's Red Sox, who sprang the upset of the year by white-washing the Braves. The Cubs are now in the runner-up spot but, at this writing, the Browns seem to be the only team with enough power to seriously threaten the rampaging Indians.

BOWLISTICS

Irv Chase, using a long "lob" and a wide curve, blasted out a string of 142, high for the evening. Jules Zucker, thoroughly disgusted with himself after bowling. Jules Zucker, thoroughly 140 in his second game.

Other good scores were turned in by Jack Orchoff with 128 and 121, Joe Primack with 127, and Leo Miller, 125 and 120. Henry Markoff and Mike Miller also came up with strings of 125 while Bill Goralnick and M. Friedman hit 123. Irv Chase's 347 was the high-three string total for the evening followed by Leo Miller with 343, Goralnick with 342 and Orchoff with 341. NO BOWLING NEXT MONDAY NIGHT!

Park and Braves Field?

I think we can attribute this growing fandom in part to the growth of night ball in Boston and also to the high quality of ball that was played there. Before anyone jumps down my throat at calling some of those ball games high quality a reminder is in order that both Boston teams were in the top brackets in their respective leagues.

I was surprised to hear several young women of my acquaintance discuss pro and con the merits of various ball players, their records, their dependability in the clutch, and so on. They read the papers now and know what the sports writers are saying about certain players and their prospects. One girl—a new mother, at that—quoted a long story in a sports magazine to me and then joined in intelligently in the discussion that followed.

Another told me that she and her husband would not think of missing the Thursday or Friday night games every week. It had become as much a part of their lives as their regular bridge sessions. It is not with baseball alone, either. Many couples have season tickets to the hockey games at the Auditorium while others, who pay as they go, are no less interested and attend as many games as they can.

The women fans may not as yet know the difference between the hit and run and the squeeze bunt; but they do know the fundamentals, which is a decided improvement. They understand the game when they see it or hear it over the radio.

I hope the trend continues. Looking at it through the sports screen, I think it will. It means that whole hosts of men who would like to attend sports events but have held back because of not wanting to leave the little woman at home will now be able to become active fans, along with their wives. An era of new fans is growing up about us. May there be many more recruits.

New Sickness and Accident Plan Includes \$25 Weekly Benefit Feature

COSTS ONLY \$12 A YEAR

Pays Hospital Benefits For Accidents

The average family has an income of less than \$65 a week. Because of the high cost of living, they can't save enough money to meet sudden doctor and hospital bills, in case accident or sickness strikes. The 60-year-old North American Accident Insurance Company of Chicago has a special plan which gives just the kind of protection such families need. It pays \$25 a week for 10 weeks for certain specified accidents and sicknesses. Also, this Premier Limited Double Duty Policy pays \$25 a week for 4 weeks for accidents requiring hospital confinement. Yet the total cost is only \$12 a year.

This new plan also has a double-indemnity feature covering travel accidents. You receive \$50 a week if disabled by an accident in a bus, taxicab, street car, train, etc., and \$75 a week if the accident requires hospital confinement. There is another new special feature that pays up to \$25 cash for doctor bills, even for a minor accident such as a cut finger. In case of accidental death the policy pays one thousand dollars cash to your family. Two thousand dollars if caused by a travel accident.

In addition, it covers many sicknesses including pneumonia, cancer, appendicitis operation, etc., paying the weekly benefits whether confined to home or hospital.

The purpose of this new policy is to bring sickness and accident protection within the reach of men and women who do not have large savings with which to meet sudden doctor or hospital bills, or lost income.

The entire cost is only \$12 a year for both men and women between the ages of 15 and 64 inclusive. Between the ages of 65 and 75 the cost is \$18 a year. Protects you 24 hours a day. No reduction in benefits regardless of age. No medical examination of any kind is required.

If you are now a member of some worthy hospitalization plan you still need this additional protection. Only a small percentage of people are confined to a hospital—and even then only for a fraction of the time they are disabled. Most people are confined at home where hospitalization plans do not apply. The North American Plan pays specified benefits regardless of whether you are confined to your home or to a hospital.

North American Accident Insurance Company of Chicago has been in business for more than sixty years and is one of the largest sickness and accident companies. It has paid out over \$43,000,000 to grateful policy holders when they needed help most. North American is licensed by the Insurance Department of the State of Rhode Island, as well as 46 other States and The District of Columbia.

Men and women who would like full details about this new plan are urged to send for a revealing booklet called "Cash or Sympathy." This booklet is absolutely free. It will come by ordinary mail without charge or obligation of any kind. No agent will call to deliver it. Beth Israel Bowling

By SAUL HODOSH

On Tuesday, December 9, the Beth Israel Bowling League completed ten weeks of competition and it has become painfully evident to me that throwing the ball does not cause the pins to fall down. I chop and get two pins and then I manage to carefully avoid the rest of the pins and go through the hole I have made, and then the gutter has a special magnet to grab my last ball. I am, in fact, beginning to suspect a conspiracy.

However, I must desist from my private feud with the alleys and tell of the night's happenings. As a result of shellacking Navy for four points, Dartmouth is firmly entrenched in first place, with Howie Nelson's Princeton team following closely two games off the pace.

A. Greenberg, who is secretly taking spinach injections, took high three with 320. M. Levy turned in a good score with 314 and S. Segal and Hy Wasserman tied with 312 each. High single was a combination affair as Manny Bromberg, M. Levy and Hy Wasserman all posted 115 and A. Greenberg, S. Segal and I. Dressler, next in line, not to be outdone, posted 112 each.

Olympic Bowling

By HOWARD D. COHEN

Merlyn Rodyn's Army team pulled into first place last Thursday by sweeping four points from Lobel's Harvard team. Joe Schwartz and his Dartmouth outfit stayed within striking distance of first place by taking 3 from Reeve Zatlhoff's Columbia gang. They missed a tie for second by losing one point.

Capt. "Happy" Aven's team finally won a match when they took 3 from Harry Woloff's Princetons, who can't seem to get their good strings together.

Strike Bound

The fight for first half champ is really hot. Army has 24 points. H. Cohen's Navy 23 and Dartmouth 22. The next two weeks will tell the story. The first half of the schedule ends then.

The bowling is improving almost to the point it was before the fire. Abe Lobel hit a 127 single and 311 three. Rodyn had a lovely 124-111-106 for a 341 triple. Other good singles were Moe Bernstein—119, Hesh Golden—112, Nate Gordon—108 and Lowell Leonard—107. The 300 bowlers again were conspicuous by their absence. Other than Lobel and Rodyn, Winn had 302 and Bernstein 306.

Haskell Wallick, a consistent 97 average bowler, hit a new low when he rolled 227 for three. . . . Reeve Karten, who couldn't see Hasky have the low honors, came up with 203 (71-68-64). Oh brother! Reeve had his average up almost 15 points over last year, too. . . . The top five average bowlers are Rodyn and H. Cohen, 109; Snyder, Lobel and Frank, 100.

Technion to Present Palestine Soil Expert

"Palestine—Haven for Millions of Settlers" will be the subject of an address to be given by Dr. Walter Clay Lowdermilk, famed soil conservationist and author, on Monday evening, January 19, 1948, at 8 o'clock at the Rhode Island School of Design Auditorium. Dr. Lowdermilk will be presented under the auspices of the Southern New England Chapter of the American Technion Society.

Dr. Lowdermilk, author of the now famous Jordan Valley Authority Plan for Palestine and of the book "Palestine, Land of Promise", will discuss methods of making every square inch of Palestine's soil productive.

This educational meeting will include a question period. Admis-

sion is free and there will be no solicitations. The public is invited to attend.

Y. P. League Plans Dramatics

Dramatics have entered into the Young People's League of Pawtucket. A meeting was held Monday evening, December 15, at the Ohave Shalom Synagogue under the direction of Sid Gordon. At the last meeting, after a short business meeting, the group began a "Monte Carlo Mixer".

The League will sponsor a Chanukah Dance on December 25. Prizes and novelty dances will be part of the evening's entertainment.

Notes On the Miriam Hospital

By BERNARD SEGAL

2. THE NAME

The origin of the name of the hospital was not clearly understood by the community as a whole. I remember when as a newcomer to the city I inquired about the meaning of the name Miriam for the hospital, I was told that it was named in honor of its founder, Mary (Miriam) D. Grant. Others suggested that the hospital bears the name of Miriam, the sister of Moses, though none of the stories in the Bible about her has any remote relationship to healing and caring for the sick.

In her presidential report of

1945, Mrs. Charles C. Brown, daughter of Mary D. Grant, clarified the matter of the name. Mrs. Brown points out that the ladies who organized the Miriam Association were formerly members of the Miriam Lodge, Fraternal order Brith Abraham.

Brith Abraham, organized in the middle of the 19th century, was a potent factor in the development of the Jewish community in America. The order reached the peak of its popularity and growth in the 1890s. At that time Rhode Island had four chapters. They were named the Judah Touro, Maimonides, Providence, and Miriam Lodges. Though women were admitted as members, the lodges were dominated by the men. The order had a lower scale of dues for women, and their privileges were accordingly fewer. Then, at the 10th convention of the order, in the year 1896, the principle of equal rights for the women members was accepted, and the ladies began to assert themselves in the affairs of the lodges. This led to friction and in many cases to splitting of the chapters.

In Providence, the ladies of the Miriam Lodge chose to emphasize the principle of providing medical aid to the needy. Medical aid to members was, as a matter of fact, one of the five purposes for which Brith Abraham was organized. The ladies made this their chief aim and purpose, and organized themselves independently as the Miriam Ladies Association, with Mrs. Grant as president.

RABBINICAL COLLEGE

The Rabbinical College of Telsha will hold their regular meeting next Tuesday at the Jewish Community Center. Mrs. Louis Schechter will be the speaker.

Kosher Canned Meats Popular With Women

To prepare an appetizing kosher meat meal formerly meant hours of tedious work and fuss in the kitchen. But now, thanks to Tamar Kosher Canned Meats, it's just a matter of minutes to bring to the table a hearty, delicious meat dinner for the entire family.

Tamar Kosher Meats are pre-cooked to the peak of perfection, tender and savory, according to favorite old-time Jewish recipes. And Tamar uses only the finest meat—choicest cuts of U. S. Government inspected kosher beef—all beef—prepared and packed under strictest rabbinical supervision.

Today, Tamar, the pioneer in kosher canned meats, is available at grocers and delicatessen stores everywhere, in four delicious varieties: Tamar Kosher Beef, Gou-lash, Meat Loaf, and Hamburger.

ROGER WILLIAMS LODGE 1184,

News from the ADL Front

The Anti-Defamation League has been active as usual, both locally and on the National scene. Some of the projects in which the League has and is participating include: Passage of a Rhode Island FEPC Bill, which will again be introduced to the State Legislature when that body convenes early in 1948. Roger Williams Lodge has contributed financial help to the Rhode Island Council for Fair Employment Practices and it is hoped that the bill will pass its next test, in the State Senate.

Irving Caesar, well known composer, will visit Providence sometime in February to help in the fight on racial intolerance. Mr. Caesar has written a series of songs known as "Songs of Friendship" which he will introduce to the Providence School System during his visit here.

The Anti-Defamation League has called upon President Truman and the Democratic and Republican parties to put into positive action the recommendations of the President's Committee on Civil Rights.

In a message to Senator J. Howard McGrath, chairman of the Democratic national committee, and to former Congressman J. Carroll Reece, chairman of the Republican national committee, Justice Meier Steinbrink of the New York State Supreme Court, national chairman of the ADL, urged that the specific recommendations of the President's Committee be incorporated into the platforms of both major parties at their national conventions in Philadelphia next year.

Blood Donors Still Needed

In case you missed the front page story which appeared in this paper two weeks ago, you may not know that Roger Williams Lodge is seeking blood donors to help save the life of a Providence man, the brother of one of our good members.

Many responded to the first appeal, but much more blood is needed and you are urged to lend your assistance so that a life may be saved. Please call GASpee 4312 and say that you want to give a pint of blood.

AZA Has Meeting Of 3 Chapters

The Roger Williams Chapter of AZA, sponsored a tri-chapter meeting held at the Jewish Community Center on Tuesday evening December 16th. The meeting, the first of its kind held in several years, was aimed at getting closer co-operation among the three chapters in the city. The entire membership of the Roger Williams, Hope and Narragansett Chapters was present and the boys laid out some interesting plans for future activities. Irving Rosen and Meyer Miller, the two AZA advisors of Roger Williams Lodge, have instilled considerable fire into the boys and they expect some big things of the local AZA.

HILLEL RECEIVES BEQUEST

The late Joseph Rubin, of Effingham, Ill., has left \$55,000—the bulk of his estate—to the Hillel Foundation at the University of Illinois.

Who's Who In the Lodge

Max Kotler

So bashful is the subject of this month's personality sketch, that he wouldn't even allow us to print his photo. So we'll just have to tell you about him and hope that someday you'll meet up with him in person.

Max has done many important jobs for B'nai B'rith, chief among them being his ability to get new members. For three years running he has been singled out to receive the President's Award for the person getting the most new members for the lodge. As a result he has become the perennial chairman of the Membership Committee. This ability to get members probably stems from the fact that Max is a great salesman. He can make membership in the lodge so attractive to a prospect that he's forever asking for new application blanks.

Max has also raised considerable sums of money for the lodge when such money was needed to carry on the various projects in which the order is interested. He does this so painlessly for the donors that they usually dig deeper than either they or Max anticipated.

So if you meet a guy on the street and the first question he puts to you goes like this "Are you a member of B'nai B'rith?" you can wager a slight sum that the guy is Max Kotler.

Young Women's Cinderella Ball

Roger Williams Chapter B'nai B'rith Young Women has announced that on Saturday evening, March 13th, 1948, it will hold a Cinderella Ball. The affair will be held at Churchill House on Angell street and will be semi-formal. Music for the dancing will be under the direction of Tommy Masso with a well rounded orchestra. One of the features of the ball will be the selection of Cinderella at midnight.

Co-chairmen for the affair are Barbara Cohen and Eileen Dubin.

Leaders to Attend JDA Conference

More than 1,000 communal leaders, including hundreds from B'nai B'rith lodges and chapters from all sections of the country, will be in attendance at the Annual Conference of the Joint Defense Appeal at the Hotel Bellevue-Stratford, Philadelphia, on January 3-5.

In the President's Corner

Edward E. Grusd, Editor, of the National Jewish Monthly, has written a penetrating article entitled "You Can't Resign From The Jewish People". I am taking the liberty of quoting part of this timely message. "This is no time for disunity among Jews, no time for theorizing or the kind of weakness that comes from individual action—or lack of action. This is the time for WORK—and the time for Jews to band themselves together in a tried and tested agency that knows what the problems are and how to attack them.

"And when we say Jews, we mean just that. We don't mean Reform Jews, or Orthodox, or Zionists or non-Zionists, or rich or poor. B'nai B'rith unites them all in a program of action aimed at defending Jewish rights, protecting democratic Principles, and promoting loyalty to our ancient ideals which are also the ideals of men of good will everywhere.

"That's why B'nai B'rith's biggest single activity is among Jewish youth—through the B'nai B'rith Hillel Foundations on college campuses, the B'nai B'rith Youth Organization for teen-agers in the communities, the B'nai B'rith Vocational Service Bureau—to win the loyalty of these future Jewish leaders and enable them to withstand the pressure of assimilation so that they, too, may take their places in life as whole men and women, and not as frightened people without moorings.

"That's why B'nai B'rith fights Anti-Semitism openly and courageously through its Anti-Defama-

Keyhole Department

Did you ever see two guys trying to drive a car with the front wheels about three feet in the air? This scene created a comedy situation last week when Frank Barad and Jack Applebaum did it. We forgot to mention that the car was attached to the back of a tow truck, but it was a good trick while it lasted.

Congratulations to the Harold Tregars. It was a boy on Monday the 8th. Everyone doing fine. At a special meeting of the Board of Governors of the lodge Mr. Tregars' annual salary as art director of the Menorah, was raised from 50,000 yen to 33 pesos. After all, he has to start working the boy's way thru college.

There was quite a contingent of Ben Briths from Roger Williams Lodge at the regional meeting held in Taunton on December 7th. Among those present were President Bernhardt, ye Editor, Joe Finkle, Merrill Hassenfeld, Rabbi Rosen and George Katz.

The last Board of Directors meeting of the Lodge was held in Bill Herman's home. During one part of the meeting, everyone present was munching an apple, which probably accounted for the great amount of "apple sauce" spread about the place.

BERTRAM BERNHARDT

tion League—the oldest and strongest agency of its kind in the world.

"That's why B'nai B'rith publishes The National Jewish Monthly, the largest magazine of Jewish inspiration in the English language.

"That's why B'nai B'rith is in the forefront of those who have made outstanding contributions to the upbuilding of Palestine.

"That's why B'nai B'rith, even before the war ended, has been working with all its prestige and resources, to help solve the problem of Displaced Persons in Europe.

"That's why B'nai B'rith is setting up a professional office in Europe to give aid and guidance to the remnant of our people.

"That's why B'nai B'rith has a program of community service throughout the American continent, in which the Men's and Women's groups work with their fellow citizens of all faiths to fill local needs and become better integrated in the community.

"That's why B'nai B'rith has for more than a century spoken up for Jewish rights before national and international tribunals.

"That's why B'nai B'rith's entire, many faceted program, developed by democratic evolution, is aimed at a better-informed and more active Jewish people—better-informed as to their own background, and more active on-behalf of Jewish and non-sectarian cases.

"And that, incidentally, is why we don't believe in the usual organizational propaganda. Our achievements are too well known, our purposes too lofty, to make irresponsible claims in order to attract "summer Soldiers." We need soldiers all year round, and every year, to join with us in our struggle for a better world for all people."

In this struggle—the finest and most rewarding in which any Jew could participate—there is a place for YOU, in the ranks of your people. If you are not a member of B'nai B'rith, the answer can be given in one word—JOIN. Contact George Katz, Box 58, Providence, R. I. for further information.

Please, Folks ...

Christmas season

WAIT UNTIL AFTER 6 O'CLOCK TO TURN ON YOUR CHRISTMAS LIGHTS

One of the yuletide joys is the colorful Christmas lighting that brightens our homes and stores—both indoors and out. It lends much to the spirit of Christmas ... but this year I hope you will be a bit careful about when you use it.

Here is why! The demand for electricity now is at an all-time peak. At times, and especially afternoons between four and six o'clock, it is quite a chore for me to supply everybody's wants. You see, factories and shops are still using electricity at that time, home and street lights come on then and that's when mother starts to cook supper, too.

You know I don't want to be a "kill-joy" but, if you could wait until six o'clock (Mondays through Fridays) before turning on Christmas lights, it would help a lot. Over the weekend turn 'em on anytime. Thanks folks—and a Merry Christmas to you all.

JCC Basketball Season Opens

The local basketball season gets under way this Sunday afternoon at the Jewish Community Center when both the Center Varsity and Alumni teams engage two teams from Lynn, Mass., starting at 2 o'clock. Admission to all games will be free to Center members. A slight charge will be made to non-members.

The Varsity, members of the Northern New England League of the Jewish Welfare Board, opened its season last Saturday when it journeyed to Lawrence, Mass. The squad is built around Bob Blume, Murray Friedman and Sanford "Sonny" Golin, with veterans Irving Ornstein, Harold Jacober, Howard Kaufman and Eddie Lewis rounding out the team. Newcomer Eddie Danford also has won a starting berth.

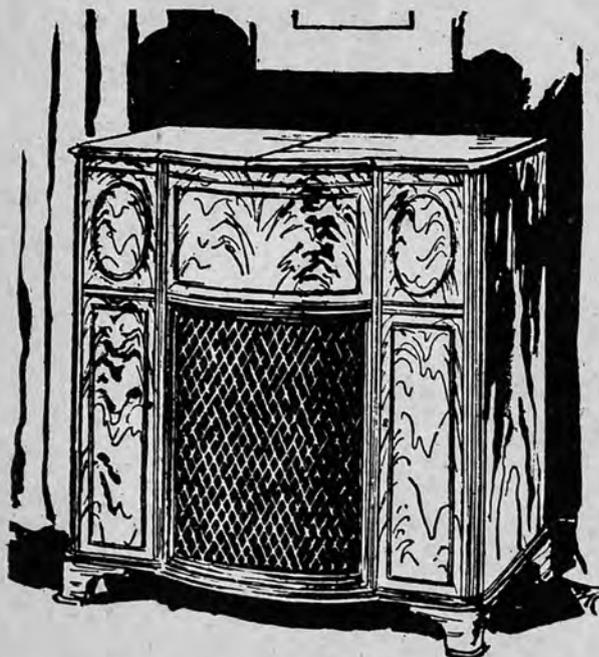

Hank Dugas, former Providence College player and at present a member of the Bryant College team of the New England Coastal Conference, is coach. Lack of height and the resultant inability to control the backboards is expected to be his major handicap with the squad.

The Alumni, managed by Howie Cohen, has a veteran squad including Abe Lobel, Jackie Pearl, Aaron Wishnevsky, the Rifkin brothers, Jerry Lobel, Harry Kopel, Noah Miller, Tednesky and Milt Price. Schedules of both teams will be announced shortly.

The Senior League, comprising the defending champion Comets, Alumni, Olympics, Bryant, South Woodlawn and the Varsity also has opened its season.

A security committee to prepare for the defense of the projected Jewish state is reported in the process of being formed.

Plan Shekel Drive Sunday

The Zionist District of Providence will conduct a combined membership-shekel campaign this Sunday, December 21, Frank Licht, president, announced this week. The campaign will be an all day affair.

Launching the day's activities will be a breakfast at 9 o'clock in the morning at the Narragansett Hotel, to be presided over by William Strong. Between 125-150 workers are expected to attend.

Samuel Ussishkin, son of the immortal Menahem Ussishkin, was guest speaker at the Zionists' meeting last Sunday evening at the Plantations Auditorium. He was introduced by Mrs. Archibald Silverman, who in turn was presented by Rabbi Morris Schussheim.

Strong also spoke at the meeting, discussing the membership-shekel campaign. A number of trees were planted by the members present in memory of a young Zionist, the late Naomi Ostrow. Joel Malcolm Singer lit the Chan-

ukah lights and singing was led by Aaron A. Klein. More than 400 persons were present.

Wintman Family Celebrates Chanukah

The Wintman Family Club celebrated Chanukah at their meeting last Sunday evening, at the home of Mr. and Mrs. Samuel H. Wintman of Emeline street. Saul J. Lips performed the lighting of the candles. A buffet supper was served followed by home movies and dancing. A committee was appointed to arrange a meeting for the installation of officers to be held in January.

Meller Will-\$150,000 in Trust

The will of the late Adolf Meller of Providence, who died Nov. 30 at Miami Beach, Fla., disposing of a personal estate estimated at \$150,000, was proved, with waivers of notice, in Providence Probate Court last week, Judge Justin P. McCarthy presiding.

The bulk of the estate is left to Max E. Meller and Robert Meller, his sons, and the National Bank of Commerce and Trust Company in trust for his wife, Rosa M. Meller.

At the widow's death, the trust will be terminated and the balance of the estate divided among the testator's children, Pauline G. Bernstein, Fannie E. Meller and the two sons.

The trustees of the estate were named executors. The firm of Hinckley, Allen, Tillinghast & Wheeler appeared for the petitioners in proving the will.

Klein Addresses Young Women

Rabbi Carol Klein was the guest speaker at the meeting of the B'nai B'rith Young Women, Roger Williams Chapter, which was held at the home of its advisor, Mrs. Janice Rosen, last Tuesday evening. The Rabbi, who was introduced by Miss Elaine Chandler, program chairman, spoke on the "Origin and History of Jewish Marriage and Social Customs." He particularly stressed the customs used in the marriage ceremony.
